Dated : 28/05/2025

SUB :- CANCELLATION OF e-TENDER FOR CIVIL WORKs - REG.

The e-Tender for Construction / Erection of Boundary Pillars for Demarcation of identified surplus land at Heavy Vehicles Factory, Avadi has been hosted in website (CPPP) <https://etenders.gov.in> under Two Bid system and Original BSCD & Technical bid opening dates were scheduled as tabulated below.

It is submitted that there is a feature of Bid Auto Extension Corrigendum in the CPPP portal wherein the tenders can be configured to be opened on receipt of specified number of bids and in the absence of the minimum configured bids the CPPP portal itself issues a Bid Auto Extension Corrigendum as per the configured Days for BSCD and TTOD. It is further submitted that there is no provision to view the number of bids which have been submitted against each tender in the CPPP e-procurement portal. In case of non-receipt of minimum configured bids Bid auto Extension corrigendum is issued by the servers on 03 iterations and in case of receipt of minimum configured bids the case is forwarded to bid openers login wherein the bids can be opened on the stipulated tender opening date and time and only then the total number of bids received against the tender are visible. After 03 Bid auto extensions the e-bids received (if any) are forwarded to the bid openers login. The Configuration of minimum number of bids and number of days to be extended in HVF tenders as configured is as follows ;

Iteration	Minimum Number of Bids Required for Opening of Tender	In case specified number of bids are not received, then tender gets extended by No. of Days
01	03 bids	14 Days
02	02 bids	07 Days
03	02 bids	07 Days

It is submitted that in the below mentioned case, the Original BSCD and Technical bid opening dates were as tabulated below. Since minimum configured number of bids / offers were not received, the CPPP portal has issued Bid Auto Extension Corrigendum on 03 Iterations. It is submitted on the 03rd extended bid submission date (06-05-2025) no further bid auto extension corrigendum has been issued by the portal since it is configured only for 03 Auto extensions. The EMD receipt status of the tenders On Opening of tender box on 30-04-2025 is tabulated below.
