Accepted BOQ

DELHI METRO RAIL CORPORATION LIMITED

Accepted BOQ

Name of Work: -"Replacement and Supply installation testing and commissioning of addressable fire detection system at DMRC office NBCC 3rd and 5th Floor"

S. No.	Description	Unit	Qty	Unit Rate (Excl. of GST)	Amount
1	Schedule-A: Fire Detection System				
1.1	Supply & Installation of Addressable 2 Loop Fire Alarm Control Panel (FACP), QWERTY Keypad, Expandable up to 10 Loop with battery charger, power supply and with the battery backup for 8 hours normal operation and one hour alarm operation. The FACP shall include a full featured operator interface control and annunciation panel that shall include a backlit 640-character liquid crystal display, NAC code function, System should support up to 159 detectors and 159 modules in one Loop. The panel shall be UL listed and FM approved and comply UL 864, 9th Edition requirement. The enclosure shall also be UL listed. The quoted rate shall include supply of necessary software, hardware and all accessories required for proper functioning of the panel with all necessary licence.	Nos	2	4,72,115.00	9,44,230.00
1.2	Supply & installation of UL listed addressable Photo Smoke/Thermal multi sensor detector With Base including all retrofitting work required for proper working of the system. The detector shall have twin bi-colour LED for 360 deg viewing and analog value for detailed data analysis. Addressing shall be with user friendly rotary decimal switches. The detector shall meet UL268, 7th guideline.	Nos	375	2422.03	9,08,262.71
1.3	Supply & installation of UL listed addressable Manual Call Point including all retrofitting work required for proper working of the system. The device shall have an LED which shall blink in normal state & get steady on activation to monitor the health status of the device. The device shall comply UL approval.	Nos	25	3,280.51	82,012.71
1.4	supply & installation of Addressable UL Listed Control Modules required for Sounders / Strobes / Sounder cum Strobes. The control module shall provide supervised NAC output rated at 24v DC, 2A. The device shall have an LED which shall blink in normal state & get steady on activation to monitor the health status of the device. Addressing shall be with user friendly rotary decimal switches. Module shall be supplied with mounting plate from OEM for ease of installation & maintenance.	Nos	27	2,544.92	68,712.71
1.5	supply & installation of Addressable UL Listed Relay Modules. installation including all retrofitting work required for proper installation and working of the system for AHU, Staircase Pressurization, Fire Suppression & other Third-Party Outputs. The relay module shall provide contact rated at 24v DC, 2A. The device shall have an LED which shall blink in normal state & get steady on activation to monitor the health status of the device. Addressing shall be with user friendly rotary decimal switches. Module shall be supplied with mounting plate from OEM for ease of installation & maintenance.	Nos	10	4,535.00	45,350.00

1.6	Supply & installation of Addressable UL Listed Monitor Modules including all retrofitting work required for proper installation of the system for Sprinklers, Panic Bars & other Third-Party Inputs. The monitor module shall monitor potential free contacts. The device shall have an LED which shall blink in normal state & get steady on activation to monitor the health status of the device. Addressing shall be with user friendly rotary decimal switches. Module shall be supplied with mounting plate from OEM for ease of installation & maintenance.	Nos	5	3,753.00	18,765.00
1.7	Supply & installation of UL Listed isolator Module. Installation including all retrofitting work required for proper installation and working of the system for Isolating short / de-wired / loose circuits with automatic resetting arrangement. The device shall have an LED which shall blink in normal state & get steady on activation to monitor the health status of the device. Module shall be supplied with mounting plate from OEM for ease of installation & maintenance.	Nos	16	2,771.19	44,338.98
1.8	Supply & installation of UL Listed Hooter with strobe installation including all retrofitting work required for proper installation and working of the system Sounder cum Strobe rated at 80 dBA @ 3m for Audible annunciation and 115cd flashing at 1 Hz for visual indication.	Nos	27	3,550.00	95,850.00
1.9	Supply & installation of UL Listed Repeater panel including all accessories required for complete installation and working of Panel. Repeater panel shall have at least 160-character display.	Nos	2	92,108.47	1,84,216.95
1.10	Supply & installation of Response Indicators for installation including all retrofitting work required for proper installation and working of the system	Nos	120	191.88	23,026.08
1.11	Supply & installation of GI junction Boxes 75*75mm for Detector installation including all retrofitting work required for proper installation of the system.	Nos	400	230.00	92,000.00
1.12	Supply & installation of GI junction Boxes 100*100mm with all accessories for Module/MCP installation including all retrofitting work required for proper installation of the system.	Nos	120	275.00	33,000.00
1.13	Supply & installation of Armoured FS Copper Conductor Cable, 2Cx1.5 sq.mm. BS7846, Make KEI / Polycab / Bonton/Ducab/Havells India Ltd/Paramount cables on wall surface/tray to be clamped with 1mm thick saddle.	Mtrs	3000	205.00	6,15,000.00
1.14	Programming, Testing and commissioning of all the abovementioned parts along with accessories, software required for complete integration with system, programming, logic creation, testing and commissioning.	Nos	1	55,450.00	55,450.00
Total Amount for Schedule-A (Exclusive GST) (Rs.)					32,10,215.14
% quoted by the bidder against total of Schedule-A (in percentage)				Less	4.45
4.45% of total schedule-A (Rs.)					1,42,854.57
Total amount of Schedule-A (Excl. GST) (Rs.)					30,67,360.57
GST @ 18% on Schedule-A (Rs.)					5,52,124.90
Total Amount for Schedule-A (inclusive of all taxes)					36,19,485.47

Annexure-A

In order to facilitate contract management and ensure timely processing of request made by the vendor DMRC has implemented the vendor payment portal that will allow the vendor to register themselves, raise payment requests, modify vendor information and request variation in contract. The portal will provide updates to the vendor and DMRC of the current status of the process and help to ensure timely action.

To register on the portal, follow these steps:

1. Go to <https://vpp.dmrc.org>
2. Click on the vendor signup button.
3. Enter the required contact information and contract details.
4. The information about nodal officer may be obtained from engineer-in-charge.
5. Click on submit button.
6. You will get the message "Your request has been sent to the nodal officer for verification. Once verified, you will receive notification via email and sms."

In case of any queries, click the help button on the landing page:

1. Queries can be sent on the following email id: vpp.support@dmrc.org
2. User manual is available by clicking the button: "download vendor user manual" on the help page.
