

Tender Reference Number : GAIL/NOIDA/CNP/FNS/24225
Tender ID : 2025_GAIL_230793_1
Tender Title : PROCUREMENT OF FIRE RETARDANT CLOTHING FOR GAIL EMPLOYEES FOR THE YEAR 2024 AND 2025

REASONS FOR NON-ACCEPTABILITY:

The reason(s) for non-acceptability of the below bid(s) are as under:

Name of Bidder (M/s)	Brief reasons for rejections
Arvind Ltd.	Bidder has not responded against query for documentary evidence in support of proof that the hard copy of Bank Guarantee submitted against EMD requirement is delivered at GAIL, Noida office within 7 days from the Bid Due Date as per the requirement of tender. The original BG against EMD was received only on 09.05.2025, i.e. after the stipulated 7-day period post bid due date (28.04.2025). As per clause 11.1.1 of ITB, Section-III mentioned below, bid is considered without EMD and thus not acceptable <i>"....Bidders are required to submit the EMD in original by Bid Due Date and Time or upload a scanned copy of the same in the Part-I of the Bid. If the Bidder is unable to submit EMD in original by Bid Due Date and Time, the Bidder is required to upload a scanned copy of the EMD in Part-I of Bid, provided the original EMD, copy of which has been uploaded, is received within 7 days from the Bid Due Date, failing which the Bid will be rejected irrespective of their status/ranking in tendering process and notwithstanding the fact that a copy of EMD was earlier uploaded by the Bidder".</i>
Bangar Business Ventures Pvt. Ltd.	Bidder is Technically not acceptable and is not meeting technical criteria of BEC and technical specification of tender as detailed under: 1. Bidder has not submitted any document in support of their claim being a Manufacturer/ Brand Owner or Authorized Agency of quoted product. 2. All the bid documents are evaluated and it is observed that the various purchase orders submitted by the bidder do not comply with the tender pre-condition requiring experience in supplying Fire-Retardant Coveralls, with at least one single order of Rs. 391.78 Lakhs or 8,745 sets in the last 7 years. 3. All the above technical documents submitted in support of technical BEC criteria by the bidder, are NOT notarized and certified by Chartered engineer.

Name of Bidder (M/s)	Brief reasons for rejections
	4. Bidder along with offer has NOT submitted properly tagged sample(s) of complete Fire Retardant / Flame Resistant suit. Further bidder has also NOT submitted test report as per product specifications. As per Technical Evaluation, the offer is technically not acceptable therefore offer is Commercially not evaluated.
G. D. International	Bidder is Technically not acceptable as the bidder does not possess a valid BIS certification for Fire-Retardant Coveralls as per IS 15748:2022 at the time of bid submission. This is a non-compliance with Section VI, Clause 8(c) of the Technical Specifications (Page No. 221), which explicitly requires that a valid BIS approval be submitted by the vendor both at the time of offer and at the time of material supply. Further, the bidder, vide their letter no. GDI/L/06.10/25-26 dated 10.05.2025, has confirmed that their BIS certification is currently under process and not yet obtained. In view of the above, the bidder does not meet the mandatory technical requirement and is therefore technically not acceptable. As per TBA bidder is Technically not acceptable therefore offer is Commercially not evaluated
Tara Lohia Private Limited	Bidder is Technically not acceptable as bidder is not meeting technical criterion of BEC as detailed under: As part of the technical evaluation, all submitted bid documents have been thoroughly reviewed. The bidder has provided multiple purchase orders i.e. PO Nos. 13662342438, 13602324844, 13512320774, and 13622314003 from M/s Hindalco Industries Ltd.—in support of meeting the Technical criterion related to Bid Evaluation Criteria (BEC). However, none of the submitted purchase orders individually comply with the stipulated BEC requirement, which mandates that the bidder must have executed either: • A single order of value not less than ₹391.78 Lakhs, or

	A single order for the supply of at least 8,745 sets/numbers of Fire-Retardant Coveralls/workwear, within the last seven (7) years from the due date of bid submission. In the absence of a qualifying single order meeting the above criteria, the bidder does not comply with the mandatory BEC requirements and is therefore Technically not acceptable. As per Technical Evaluation, the offer is technically not acceptable therefore offer is Commercially not evaluated.
Shree Deepak Export	Bidder is Technically not acceptable and is not meeting technical criteria of BEC and technical specification of tender as detailed under: - Bidder does not meet the mandatory technical qualifying criteria as outlined in the bid guidelines. Specifically: - The bid submission lacks essential supporting documents such as a valid Purchase Order, LR copy, or Completion Certificate. - No documentary evidence has been provided to demonstrate successful execution of a relevant order for Fire-Retardant Coveralls/Workwear. As per the terms of the tender, submission of the above-mentioned documents is a prerequisite for technical qualification. - Test report submitted by bidder are in the name of M/s Madura Coats. Further bidder has not submitted any documentary evidence to establish the relation between Madura Coats & bidder. The test certificates submitted by the bidder are not issued in the bidder's name, and therefore, cannot be accepted. As per Technical Evaluation the offer is technically not acceptable therefore offer is Commercially not evaluated
