OBSERVATION / DELIBERATIONS: -

Brief reason for the bid which is commercially not acceptable is as below:

Hydrock Engineering Construction Pvt. Ltd.:- Bidder's working capital is inadequate as per submitted F-10 & reports and bidder uploaded Line of Credit however its original copy has not been received in GAIL. Audited reports submitted by bidder are not notarized by notary public. Bidder has not submitted acceptance of the complete tender document. Additionally, bidder has not responded to the queries sent to bidder and remained unresponsive to GAIL's communication.

In view of the above, bidder does not qualify the financial BEC and is commercially not acceptable.
