(i) M/S. SWANIP INFRACON PRIVATE LIMITED:

Bidder is **Techno-Commercially acceptable** for price bid opening.

(ii) M/S. FENT EPC PROJECTS:

Bidder is **commercially not acceptable** due to following reasons:

Bidder has not submitted the EMD, hence commercially rejected and technically not evaluated further.

Therefore, offer of M/s. Fent EPC Projects is commercially not acceptable for price bid opening.

(iii) M/S. SAIKRUPA ENGINEERING:

Bidder is **technically not acceptable** due to following reasons:

- a. Bidder has not submitted the detailed SOR against PO No. 5010129745 Date 11-09-2019 for compliance of qualification criteria of BEC.
- b. Bidder has not submitted the detailed SOR against PO No. 5010143091 Date 23-11-2021 for compliance of qualification criteria of BEC.
- c. For PO No 2300125488 Date 04-04-2023 the bidder was required to submit PO documents & execution certificate duly notarized by Advocate/Notary Public and attestation by Chartered Engineer. As the bidder has worked as sub-contractor, end user certificate has to be submitted.

In response bidder has submitted execution certificate, which is not as per BEC, for sub-contracting work certificate should have issued from owner. Hence same queries can't be sent again. Therefore, bidder is technically rejected/not qualified.

Therefore, offer of M/s. Saikrupa Engineering is technically not acceptable not acceptable for price bid opening.
