Further, the offers of the following bidders are **Technically-Commercially Not Acceptable** and the brief details are as below:

1) M/s EXCELSOURCE INTERNATIONAL PVT LTD:

The bidder submitted a work order but failed to provide the required execution/completion certificate. Instead, they provided a payment advice in place of a completion/execution certificate. Additionally, the work order was neither notarized by a Notary Public nor certified by a Chartered Engineer, as stipulated. Furthermore, the bidder submitted Annexure IX instead of Annexure XI of the Scope of Work. Due to these discrepancies, the bid is deemed technically unacceptable and, overall, techno-commercially not acceptable.

2) M/s SHES AIR AND AUTOMATION:

The bidder submitted a work order; however, it was neither notarized by a Notary Public nor certified by a Chartered Engineer. Additionally, the bidder did not meet the requirements specified under the technical BEC criteria. Consequently, the bid is considered technically unacceptable and, overall, techno-commercially not acceptable.

In view of the above, price bids of the following techno-commercially acceptable bidders:
