

Based on the documents received against the bid as well as queries, techno-commercial evaluation of the bidders is as below: -

S. No	Bidders Name (M/s.)	Commercial Comments	Technical Comments
1.	AADHIK BUILCON LLP	Commercially Acceptable	Technically Acceptable
2.	ARPIT VENTURES LLP	Commercially Acceptable	Technically Acceptable
3.	DESCO INFRA TECH LIMITED	Commercially Not Acceptable	Technically not evaluated
4.	J K BUILDERS	Commercially not evaluated	Technically Not Acceptable
5.	NAMRATA ENGINEERING	Commercially Acceptable	Technically Acceptable
6.	OXYURA PROJECTS INDIA LLP	Commercially Acceptable	Technically Acceptable
7.	SWANIP INFRA CON PVT. LTD.	Commercially Acceptable	Technically Acceptable

Brief reason for the bids which are techno-commercially not acceptable is as below:

- 1) **Desco Infratech Limited:** Bidder has not submitted EMD amount. The bidder's firm is registered under the MSE category but is not registered as a startup. In the instant tender, EMD exemption is not applicable to MSE bidders since the nature of the job falls under the "Works" category. Accordingly, EMD exemption for the bidder is not permissible. In view of non-submission of EMD for the works tender, bidder is commercially not acceptable.
Overall, the bid is techno-commercially not acceptable.
- 2) **J K Builders:** Bidder has submitted Work order bearing no. Opal/DHJ/MM/NOA/2004C00162 dated 01.10.2020 for "Construction of labour welfare facility at Opal Dahej site". In this work order, value of work related to **laying of water pipeline & its associated jobs** does not meet the required value as per technical BEC. Hence, bid is technically not acceptable.
Overall, the bid is techno-commercially not acceptable.
