

1. Based on techno-commercial evaluation carried out by respective departments and demo evaluation by technical dept., final acceptability of the bidders is as below: -

<i>S. No</i>	<i>Bidders Name (M/s.)</i>	<i>Commercial Comments</i>	<i>Technical Comments</i>
1.	ABS India Private Limited	<i>Commercially acceptable</i>	<i>Technically acceptable</i>
2.	Unicom Infotel Pvt Ltd	<i>Commercially acceptable</i>	<i>Technically Rejected</i>

2. Brief reason for the bid which is techno-commercially not acceptable is as below:

- 1) **Unicom Infotel Pvt Ltd.:** The bid submitted by M/s Unicom Infotel Pvt. Ltd. is rejected based on unsuccessful demo evaluation against Annexure-VI (SCC & SOW Clause 6.12 to 6.16). Key reasons are:

- The proposed solution has single point of failure due to single connectivity between Eco server and Gateway (Unify AP3700), and a single Ethernet port, risking complete communication failure.
- Emergency Response System was not demonstrated, hence its functionality and integration with the IP-based EPABX system could not be verified.
- Operator Console model was not presented, so its functionality remains unverified.
- SIP Trunk IP connectivity and failover (hot-standby) could not be demonstrated, leaving critical call continuity features untested.

Due to the above technical shortcomings and incomplete demonstration, the offered solution is non-compliant and the bid is rejected.

3. Committee Members:

Agam Kumar Garg
Sr. Manager (Gailtel)

Ramavatar Gocher
Sr. Officer (C&P)

Ashish Jain
Manager (F&A)
