

Sub: Tender for Construction of 125 Rooms Bachelor Hostel at Gail Gaon, Pata, UP.

1. Name of the Techno-commercially Acceptable Bidders for instant tender:

Sl. No.	Name of Bidder (M/s.)
1.	A.K. Gupta & Co., New-Delhi
2.	Bansal Infratech Synergies India Ltd., New Delhi
3.	Evercrest Projects Pvt. Ltd., Ahmedabad
4.	S. T. Advani and Co., Kanpur
5.	Shyam Infra Nirman Private Limited, Kolkata
6.	SSP Promoters & Builders Pvt. Ltd., Delhi

2. Reason for Rejection of Non-Techno-Commercially Acceptable Bidders:

Sl. No.	Name of Bidder (M/s)	Reasons for Rejection
1.	Singhal Engineering	Against Experience Criteria of Technical BEC, bidder has submitted various documents resting with a 'Deed of Assignment' signed amongst M/s Housing Development Corporation Limited, M/s Singhal Engineering, M/s Singhal Engineering (Maldives) Private Limited and M/s Rainbow Singhal Developers Private Limited for the work of Development and Operation of a Mixed use residential complex at Maldives issued by Housing Development Corporation, Maldives; As per this DoA, the work is to be carried out by Rainbow Singhal Developers Pvt Ltd (a JV between Singhal Engineering and M/s Rainbow Construction Pvt Ltd, Maldives). Further, in JV Agreement responsibility matrix, it is mentioned that execution of entire contract shall be sole responsibility of the local partner viz. M/s Rainbow Construction Pvt Ltd. The completion certificate issued by HDC is in the name of M/s Rainbow Singhal Developers Pvt Ltd. As per tender, bidder's past experience as a leader or member of Consortium / JV shall be considered acceptable provided his scope in that consortium / JV scope matrix meets requirement stipulated in BEC thus the bidder i.e. M/s Singhal Engineering has been found to be NOT meeting Technical BEC.

Sub: Tender for Construction of 125 Rooms Bachelor Hostel at Gail Gaon, Pata, UP.

2.	Wontel Technologies Private Limited	Against Experience Criteria of Technical BEC, bidder has submitted a work order issued by M/s Nanda Construction Co. for Construction of various Buildings in Phase-I for IIT Bhubaneshwar. It is also found from submitted documents that M/s NBCC had placed work order on M/s Nanda Construction Co. for the same job. In other words, M/s Wontel had executed the work as a sub-contractor / sub-sub-contractor. Since, bidder has not furnished the certificate from end user as per tender requirement even after providing opportunity by issuing technical query. Accordingly, from the submitted documents, M/s Wontel has been found to be NOT meeting Technical BEC.
