

12.0 Technical Evaluation -Conclusion and Recommendations

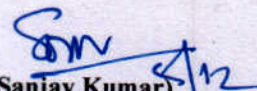

Based on the above analysis of the Technical Proposal, the Tenderers those are considered **"Responsive & Qualified"** to the requirements of the Tendering documents and are recommended to be invited for opening of their price Tenders for further evaluation of the Most Advantageous Tender. The details of **"Responsive & Qualified"** tenderer no. 1/2 and the disqualified tenderer no. 2/2 are as follows:

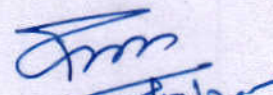

Bidder No.	Name of Firm	Qualification	Remarks
1/2	M/s. Phooltas Transrail Limited	Responsive & Qualified	As per details mentioned in para 9 above, M/s Phooltas Transrail Limited meets the tender eligibility and qualification criteria.
2/2	M/s. San Engineering & Locomotive Co. Ltd.	Responsive but not qualified	As per details mentioned in para 9 above, M/s San Engineering & Locomotive Co. Ltd. does not meet the tender eligibility and qualification criteria mentioned at 2.3.1 Contracts of Similar Work(s). Therefore, TEC opines that the offer of M/s San Engineering & Locomotive Co. Ltd. is Responsive but not qualified.

13.0 Acceptance

The acceptance/ modifications/ rejection of the Tender Evaluation Report & its recommendations are within the powers of the DT in terms of item 2.01 of SOP on works matter of July 2022.
