

The scope of work includes the design and preparation of signalling drawings such as SIP, SWR, etc. Although the rates quoted by the L-1 tenderer reflect a substantial deviation of 20% below the estimated rates, the quoted rates of the **lowest bidder (L-1 tenderer), M/s Pravesh Construction, Mumbai**, were arrived at through a competitive national tendering process. After thorough evaluation of the tender, it has been established that the quoted rates are reasonable and acceptable when considered on an overall basis.

11. Recommendation of Tender Evaluation Committee:

The offer of the L-1 bidder is responsive and fully meets the technical and financial eligibility criteria (EQC) stipulated in the tender, while offering competitive rates that are within an acceptable range.

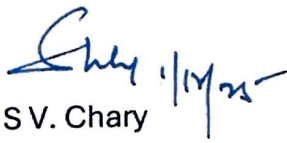

Based on the detailed deliberations above, the Tender Evaluation Committee (TEC) recommends acceptance of the bid submitted by M/s Pravesh Construction, Mumbai, being the lowest responsive bidder (L-1), for award of the work.

Acceptance of rates for tender as below:

Sl. No.	Amount Excluding GST	Amount including GST
1	Rs.93,40,000.00/-	Rs. 1,10,21,200.00/-

Acceptance/rejection/modification of this Tender Evaluation Committee recommendations are within the power of CSTE/MRVC, in terms of SOP Works Matter Item No. 2.01(a). (क)
