

MINUTES OF MEETING to discuss representation of technically non-qualified bidder held on 23-09-2025 for the work of "Construction of Bridge Over Swan River at Km.13/450 On NH-503A in District Una, Himachal Pradesh."

1. The work has been sanctioned by the MoRT&H vide letter no. NH-12037/66/2025/HP/North-I (comp no.-250700) dated 31.03.2025 for Rs. 36.93 Crore.
2. Twelve bidders participated in the bidding process. The technical evaluation of the bids was conducted on dated 11-09-2025. Four No. bidder M/s Kisan Construction Co., M/s Gurubachan Singh Construction Pvt. Ltd., M/s Rajinder Infrastructure Pvt. Ltd., and Vijay Kumar Sharma were found to be technical non-responsive in accordance with Clause 2.2.2.2(iii)(a) of RFP and eight Nos. were found technically responsive.
3. Thereafter three No. bidders M/s Kisan Construction Co, M/s Vijay Kumar Sharma, &M/s Gurbachan Singh Construction Pvt. Ltd. have submitted the representation and they have requested that their technical bids may be re-checked for the subject cited above.
4. The committee deliberated the representations and after deliberation found that :-

4.1 Representation received from M/s Kisan Construction Co., vide letter No. KCC/HSR/966 dated 18-09-2025 vide which represented that as per the condition laid in the RFP, the bidder uploaded a similar nature work named "C/o 2 lane road over Bridge in lieu of L-xing no. 44, having Steel composite girder span (1x37.280 m +1x19.080 m) along with Limited Height Subway size 4.50 metre x 3.65 metre) & near Samalkha at Km. 73/15-17 and C/o 2 lane road over bridge in lieu of L-xing no. 47, having Steel composite span (1x37.280 m +1x25.080 m) along with limited height Subway (Internal size 4.50 metre x 3.15 metre) near Dewana station at Km. 79/1-3 on Delhi-Ambala section of Northern Railway." Based on the representation the technical bid was again checked by the Committee, the firm has constructed two ROB's having length 56.36 meter (1x37.280 m +1x19.080 m) &62.36 meter (1x37.280 m +1x25.080 m). The committee deliberated the clause 2.2.2.2(iii) (a), which is as:

"Major Bridges/ROB/Flyovers Bidder being a Joint Venture, Lead projects:

The sole Bidder or in case the member of Joint Venture shall have completed at least one similar Major Bridge/ROB/Flyover project in the last 7 (seven) financial years preceding the Bid Due Date or till the Bid Due Date, having span equal to or greater than 80% of the longest span or 100m, whichever is less of the structure proposed in this project and 40% of the length Major Bridge/ RoB/ flyover or 2 km, whichever is less and also the cost of such similar project shall be atleast...."

The committee finding was same as discussed in technical evaluation meeting dated 11.09.2025 that the ROB's project qualifies in single span criteria (37.28 m>31.2 m) however fails in overall requirement of bridge length i.e., 117m.

Hence, committee decided to reject the representation of M/s Kisan Construction Co. as per clause 2.2.2.2(iii) (a).

4.2 Representation received from M/s Vijay Kumar Sharma., vide letter No. VKS/Swan River/2025-26/303-304 dated 18-09-2025 vide which represented that the bid qualification criteria is logically required to be assessed under technical capacity clause 2.2.2.2. (i) and (ii) (a) instead of clause 2.2.2.2 (iii) (a), wherein it is provided that in case, longest span of Bridge/ROB/Flyover is less than or equal to 60 meter, no additional qualification is required. In the present case, the longest span of the proposed bridge measures 39.00 meter.

The committee rejected the representation since the project is a Stand alone major bridge project and accordingly the evaluation has been done as per relevant clause for standalone major bridge project i.e., 2.2.2.2 (iii) (a) in which the bidder **M/s Vijay Kumar Sharma** was found technically non-responsive.

Hence, committee decided to reject the representation of **M/s Vijay Kumar Sharma** as per clause 2.2.2.2(iii) (a).

4.3 Representation received from M/s Gurbachan Singh Construction Pvt. Ltd. The committee vide technical evaluation meeting dated 11.09.2025 declared **M/s Gurbachan Singh Construction Pvt. Ltd.** as technically non-responsive as per clause 2.2.2.2 (iii) (a) of RFP. The bidder vide Letter No. Nil dated 17-09-2025 represented that the following works uploaded in bid are eligible for required experience:-

a) Bathinda-Malout NH-07 Project (Punjab)

- Project cost:- Rs. 30.64 Cr
- Flyover: 33 m span, 1.020 Km. length at Ch. 0.880 Km.
- Bridge: 47 m span at Ch. 28.180-28.227 km.
- Performance certificates and drawings enclosed.

b) 4- Lane ROB on Bhatinda-Suratgarh Railway Section (Rajasthan)

- Project cost: Rs. 35.97 Cr.
- Span:- 37.28 m
- Length: 1.80 Km.
- Performance certificates and drawings enclosed.

Based on the representation the technical bid was again checked by the Committee and following was deliberated:

(i) For work mentioned at 4.3 (a) above, the GAD was referred and it was found that the work does not qualify as per clause 2.2.2.2 (iii) (a) of RFP.

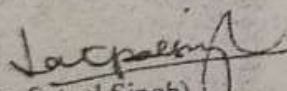

(ii) For work mentioned at 4.3 (b) above, the GAD was referred and noted that the longest span of bridge was 37.28 m in skew which is greater than 31.2 m (required as per clause 2.2.2.2 (iii)(a) of RFP) and also overall length of bridge qualifies as per clause 2.2.2.2 (iii)(a) of RFP.

5. After detailed deliberation, the committee finally decided that following bidders may be considered as technically responsive:

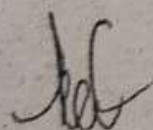

Sr. No	Name of Bidder
1	M/s V.K. Gupta & Associates, SCO-03, 1 st & 11nd Floor, Sector-16, Panchkula, Haryana-140901.
2	M/s Poddar Inftratech Pvt. Ltd., 202, Crowne Heights, Twin district Center, Sector-10, Rohini, New Delhi-110085.
3	M/s Statish Kumar Sharma Govt. Contractor, VPO Dhussara, Tehsil Amb, District Una, HP.
4	M/s Om Prakash Sharma & Sons, Near Soharoo Complex, 19/7 Gandhi Chowk, Tehsil and District, Hamirpur (HP).
5	M/s Ram Kumar Contractor Pvt. Ltd., DLF Corporate Greens, Tower-3A, 4 th Floor, SPR Road Gurugram, Haryana-122004.
6	M/s Maan Builders Private Limited, SCO-44, 2 nd Floor, Sec-12, Panchkula (HR)-134112.
7	M/s Bhullar Construction., #263, Urban Estate, Phase-II, Bathinda, Punjab-151001.
8	M/s Gurbachan Singh Construction Pvt. Ltd., SCF-10, Model Town, Phase-2, Bathinda.

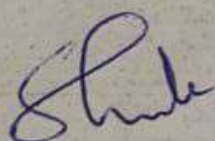

In view of the foregoing paras. the committee after deliberation, decided to open the financial bids of above technically qualified bidders.

The meeting ended with vote of thanks to and from the Chair.
