4. Member Secretary apprised that M/s. CADD Consulting Engineers Pvt. Ltd. has voluntarily submitted a clarification with regards to its financial proposal wherein it has been submitted that the quoted price is inclusive of the applicable GST and all other taxes.

In this regard, the reference is drawn to clause 4.2 (ii) of RFP which states that "Any alteration/ modification in the Bid or additional information supplied subsequent to the Bid Due Date, unless the same has been expressly sought for by the Employer, shall be disregarded."

5. Further, Sr. No. 6 of datasheet prescribes that "Ministry of Road Transport & Highways shall reimburse only Goods and service tax. Authority's Engineer has to assess all other taxes and should inbuilt them in their financial proposal. **These taxes (other than Goods and service tax) should not be provided separately.** Consultants are requested to consult Tax Consultants for details."

From the reading of the same, it is clear that the financial proposal was required to include all taxes other than GST. GST is a statutory payment and if the same has been filled as zero against the column, it cannot be considered Nil and has to be paid as per actual.

The submission by M/s. CADD Consulting Engineers Pvt. Ltd. that his financial proposal is inclusive of GST can be considered like a modification of the financial bid and the same cannot be considered as per

 S. Singh

the tendering norms. Therefore, the Committee opined that the financial proposal of M/s. CADD Consulting Engineers Pvt. Ltd. has to be evaluated accordingly.

6. Committee observed that as per Clause 5.7 of RFP, the lowest financial proposal (F_M) will be given a financial score (S_F) of 100 points. The financial scores of other proposals will be computed as

$$S_F = 100 \times F_M / F \quad (F = \text{amount of financial proposal})$$

6.1 Thereafter, as per Clause 5.8 of RFP, evaluation Committee evaluated proposals for ranking based on the combined score as per following formula given in RFP.

$$S = S_T \times T_w + S_F \times F_w$$

Where S_T is the technical scores and S_F is the Financial Score out of 100, S is the combined score and T_w & F_w are weightage for Technical Proposal and Financial Proposal that shall be 0.75 and 0.25 respectively.

6.2 The details of combined score obtained by the bidders are as under:
