

MINUTES OF MEETING regarding to discuss on the representation bidders held on 24-11-2025 for the work of "Land Slide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh."

1. The work has been sanctioned by the MoRT&H vide letter no. NH-12037/66/2025/HP/North-I (comp no.-248853) dated 30.03.2025 for Rs. 54.37 Crore.
2. Six bidders participated in the bidding process. The technical evaluation of the bids was conducted on dated 16-10-2025(Annexure-I). Three No. bidders were found technically qualified and three No. bidders i.e. M/s Bharat Constructions (India) Pvt. Ltd., M/s Maccaferri Infrastructure Pvt. Ltd., and M/s Pavai Infra Geotech, were found to be technical non-qualified in accordance with Clause 2.2.2.2(iii)(c) of RFP and.
3. Thereafter two No. bidders M/s Spar Geo Infra Private Limited, and M/s Pioneer Foundation Engineers Private Limited, have submitted the representation and they have submitted objection to the technical qualification of bidder M/s Shiva Structures Pvt. Ltd., as per Clause 2.2.2.2 (ii) of RFP and M/s Bharat Constructions (India) Pvt. Ltd., & M/s Pavai Infra Geotech, have submitted the representation and requested that their technical bids may be re-checked for the subject cited above.

The committee deliberated the representations and after deliberation found that:-

4. M/s Spar Geo Infra Private Limited, and M/s Pioneer Foundation Engineers Private Limited, vide letter No. SPAR/PWDNH/2025-26/113 dated 18-10-2025(Annexure-II)& PFEPL/MORTH/2025/04 dated 23-10-2025 (Annexure-III) vide which they have represented that the bidder M/s Shiva Structures Pvt. Ltd., does not satisfactorily demonstrate compliance with key technical requirements, specifically the installation of 3000kj flexible rockfall barriers with a minimum executed height of 70.0 meters. In this regard it was discussed that during the evaluation a clarification was sought from the bidder M/s Shiva Structures Pvt. Ltd. on 22.09.2025 (Annexure-IV) regarding the height of fixing of Rock Fall Barrier of minimum energy absorption of 3000KJ above track level certified by Authority Engineer not below the Rank of Executive Engineer, in reply to which M/s Shiva Structures Pvt. Ltd. through email dated 25.07.2025 (Annexure-V) submitted the certificate issued by EE, SMVDSB(P), Katra bearing office letter no. EE/SB/Proj./25-26/729 dated, 24.09.2025 (Annexure-VI) in which it was mentioned that "Rock Fall Barrier with minimum energy absorption capacity of 3000KJ (or above) has been fixed at a height of 75 mtr. above track level". Further to assured the certificate submitted by M/s Shiva Structures Pvt. Ltd. in reply to clarification was sent for verification to EE, SMVDSB(P), Katra on his official email on 08.10.2025 (Annexure-VII) and was also contacted telephonically in reference to which the reply was received from EE, SMVDSB(P), Katra through return email on 09.10.2025 (Annexure-VIII) and an attested copy of the certificate dated 24.09.2025(Annexure-IX) issued by his office on 11.10.2025 through email in addition to return email. But based on their representations concerning the technical qualification of M/s Shiva Structures Pvt. Ltd. Chief Engineer(NH) had sought necessary clarification (Annexure-X) from EE, SMVDSB(P), Katra and confirmation from the Chief Executive Officer and Deputy Chief Executive Officer of SMVDSB regarding the experience claimed by M/s Shiva Structures Pvt. Ltd. for the work titled "Protection / treatment work on slopes of track between Katra & Bhawan (Phase-III)." A copy of clarification sought was also sent to THDCIL (Annexure-XI). In response, a reply from consultant THDC India Limited (Annexure-XII) has also been received wherein they submitted that the day to day supervision is being done by the

team of Executive Engineer of SMVDSB. Hence any information/clarification may be obtained from Executive Engineer, SMVDSB and reply was received from the Assistant CEO, SMVDSB (Annexure-XIII) confirming the correctness of the experience certificate with the statement regarding the "height of rock fall barrier having an energy absorbing capacity of 3000 KJ or More above the track level".

M/s Spar Geo Infra Pvt. Ltd., 2nd and 3rd Floor, WZ-92C, Raja Garden, Ring Road, New Delhi - 110015, vide letter No. SPAR/PWDNH/2025-26/115 dated 10.11.2025 (Annexure-XIV) again submitted a representation wherein it was stated that, as per the information available on the official web portal of Karnataka Power Corporation Limited (KPCL)- a Government of Karnataka undertaking M/s Shiva Structures Pvt. Ltd. has debarred for a period of three years with effect from 17.12.2024 vide letter No. EECK/Debarment Notice/861 dated 17-12-2024 (Annexure-XV). Accordingly, the Technical Director, Karnataka Power Corporation Limited (KPCL) Government of Karnataka & the Executive Engineer (Civil) Kargal- Karnataka Power Corporation limited Kargal through email dated 11.11.2025 (Annexure-XVI) & 15.11.2025 (Annexure-XVII) was requested to confirm the authenticity of the aforementioned letter. In response, reply received from Executive Engineer (Civil) Kargal Karnataka Power Corporation limited Kargal through email dated 19-11-2025 (Annexure-XVIII) vide which he has confirmed that letter No. EECK/Debarment Notice/861 dated 17-12-2024 was issued from this office in which M/s Shiva Structures Pvt. Ltd. was debarred for a period of three years with effect from 17-12-2024. M/s Shiva Structures Pvt. Ltd. shall continue to remain debarred from participation in KPCL tenders.

Simultaneously, M/s Shiva Structures Pvt. Ltd. vide email dated 13.11.2025 (Annexure-XIX) has requested to clarify his position with regard to the fresh representation and blacklisted/debarred by Karnataka Power Corporation Ltd. (KPCL). M/s Shiva Structures Pvt. Ltd. vide email dated 15-11-2025 (Annexure-XX) has submitted that the Hon'ble High Court of Karnataka at Bengaluru vide order dated 19th August, 2025 in the Writ Petition No. 15609 of 2025 has quashed the impugned order bearing No. EECK/Debarment Notice/861 dated 17-12-2024.

The tender case was sent to District Attorney O/o Engineer-in-Chief, HP.PWD, Shimla to convey necessary legal opinion. District Attorney O/o Engineer-in-Chief, HP.PWD, Shimla opined that "The email as received from KPCL nowhere states anything about the action taken by the corporation consequent upon judgment passed by Karnatka High Court as relied on behalf of M/s Shiva Structures Pvt. Ltd. The said information may be obtained, as the Judgment is also subject to appeal etc. The eligibility of a bidder is to be seen at the time of submission of the bid, and if a bidder is not eligible at the time of submission for any reason as per tender document, the subsequent eligibility acquired by the bidder cannot be considered."

After deliberation, the Committee decided to reject the bid of M/s Shiva Structures Pvt. Ltd. on account of the undertakings regarding blacklisting submitted by the contractor in the bid submitted on 17.07.2025 (Annexure-XXI) for the concerned tenders. M/s Shiva Structures Pvt. Ltd. was under debarment for a period of three years w.e.f. 17.12.2024 vide KPCL order No. EECK/Debarment Notice/861 dated 17.12.2024. Although the contractor submitted the High Court order dated 19.08.2025 quashing the debarment, it may be noted that M/s Shiva Structures Pvt. Ltd. was debarred for a period of three years with effect from 17-12-2024 and also during submission of bid (i.e., 17.07.2025). Accordingly, the committee observed that the firm didn't provide correct details regarding blacklisting and so, the bid of M/s Shiva Structures may be rejected as per clause CI 2.6 of RFP and further action may be taken as per the relevant clause of the RFP.

5. M/s Bharat Constructions (India) Pvt. Ltd., vide letter No. nil dated 22-10-2025 (Annexure-XXII) vide which he has represented that we are fulfilling all the required criteria as per clause 2.2.2.2 (iii) (c) for which we has submitted sufficient certificates and request you to kindly provide us the reason on which grounds we are not qualifying the required criteria.

Based on the bidder representation the technical bid was again checked by the Committee and it was found that there was no project in the bid satisfying all the criteria in a single work i.e. minimum arch of treatment, height of flexible Rockfall barrier and energy absorption capacity of flexible Rockfall barrier as mentioned in the RFP clause 2.2.2.2(iii)(c).

Hence, committee decided to reject the representation of M/s Bharat Constructions (India) Pvt. Ltd.

- i. M/s Pavai Infra Geotech, vide letter No. Pavai/Gen./2025-26/265 dated 21-10-2025 (Annexure-XXIII) vide which he has represented that we meet the eligibility criteria and we respectfully request a clear explanation under Clause 2.2.2.2 (iii)(c) specifying the Grounds for our disqualification.

Based on the bidder representation the technical bid was again checked by the Committee and it was found that there was no project in the bid satisfying the minimum height criteria for flexible Rockfall Barrier as mentioned in the RFP Clause 2.2.2.2 (iii) (c).

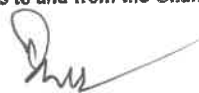

In view of above, the committee has decided to open the financial bids of the following bidders:-

Sr. No.	Name of Bidders
i.	M/s Spar Geo Infra Private Limited.
ii.	M/s Pioneer Foundation Engineers Private Limited

In view of the foregoing paras, the committee after deliberation decided to open the financial bids of above bidders.

The meeting ended with vote of thanks to and from the Chair.

MINUTES OF MEETING OF TECHNICAL EVALUATION COMMITTEE HELD ON 16-10-2025 FOR THE WORK "Land Slide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh."

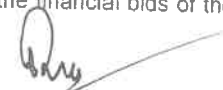

1. The work has been sanctioned by the MoRT&H vide letter no. NH-12037/28/2025/HP/North-I (comp no.-248853) dated:- 30.03.2025 for Rs. 54.37 Crore and bids for the said work were invited vide letter no. PW-CE-NH-CTR-Tender Notice/EPC-73/2025-1012-19 dated:-02.06.2025 for the First time, which were opened on 18.07.2025.
2. The meeting of the Evaluation Committee for the evaluation of technical Bids for the work of "Land Slide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh." was held on 16.10.2025.
3. The Committee noted that a total no. of six bids have been received for the work and out of the six bidders, five bidders have uploaded their Technical bids on BIMS portal and one bidder M/s Pioneer Foundation Engineers Private Limited has not uploaded his bid on BIMS portal. Further as per the evaluation of bids on BIMS portal, the bidders have been found non-responsive and further it was observed that it happened due to the reason that the bidders have not entered the data correctly. Since Ministry has made it mandatory to evaluate the bids online on BIMS Portal, the Committee deliberated the issue and keeping in view the urgency of the work, the Committee decided to carry out the manual technical evaluation for the bids.
4. The Committee noted that the Bank Guarantee/Surety Bond/Demand draft submitted towards bid security by the 6 bidders have been confirmed from the respective banks and is found to be correct and in order.
5. The Committee deliberated the technical evaluation as per evaluation criteria mentioned in the tender documents. The outcome of technical evaluation is as below:

i.	M/s Spar Geo Infra Private Limited, 2 nd and 3 rd WZ92C, Raja Garden, Ring Road, New Delhi - 110015	Technically Qualified.
ii.	M/s Pioneer Foundation Engineers Private Limited, B2, 509, Boomerang, Chandivali Farm Road, Chandivali, Andheri East, Mumbai - 400072.	Technically Qualified.
iii.	M/s Shiva Structures Pvt. Ltd., F-Wing, II nd Floor, Bharat Bazar, Near Prozone Mall, Aurangabad, Maharashtra - 431006	Technically Qualified
iv.	M/s Bharat Constructions (India) Pvt. Ltd., 9, PPCL Colony, Uday Vihar, Haridwar Bypass, Dehradun, Uttarakhand - 248001.	Technically Non-Qualified as per clause 2.2.2.2(iii)(c)
v.	M/s Maccaferri Infrastructure Pvt. Ltd., Mezzanine, Loft Level, 113/1, Amar Industrial Est., Andheri Kurla Road, Sakinaka, Mumbai - 400072.	Technically Non-Qualified as per clause 2.2.2.2(iii)(c)
vi.	M/s Pavai Infra Geotech, 137 M-137 N Om Shakti Complex, Hope College, Avinashi Road, Coimbatore - 641004.	Technically Non-Qualified as per clause 2.2.2.2(iii)(c)

In view of the foregoing, the committee after deliberation, decided to open the financial bids of the above technically qualified bidders.

Subject: Objection to Technical Evaluation of M/s. Shiva Structures Pvt Ltd. under Clause 2.2.2.2 (ii) of the RFP

Respected Sir,

With reference to the technical evaluation uploaded on portal dated 17th Oct 2025, we hereby submit our detailed objection to the technical eligibility assessment of M/s. Shiva Structures Pvt. Ltd.

Please find the attached letter with supporting documents.

It is further requested for the deferment of the opening of their financial bid, currently scheduled for 24th October 2025, until our objection is fully addressed and a formal response is received from your end.

Thanks & Regards;

Neha Seth

Spar geo Infra Private Limited,

Letter: SPAR/PWDNH/2025-26/113

Date: 18.10.2025

To

The Chief Engineer,
National Highway, Block-D,
HPPWD Nigam Vihar Shimla-2

Ref : BID FOR "Land Slide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh."

Subject: Objection to Technical Evaluation of M/s. Shiva Structures Pvt Ltd. under Clause 2.2.2.2 (ii) of the RFP

Dear Sir/Madam,

With reference to the technical evaluation uploaded on portal dated 17th Oct 2025 (Enclosed Annexure I), we hereby submit our detailed objection to the technical eligibility assessment of M/s. Shiva Structures Pvt. Ltd.

Upon review of the certificate (Annexure II) submitted by the bidder, we observe that the information provided does not sufficiently demonstrate compliance with Clause 2.2.2.2 (ii) of the RFP. This clause specifically requires experience in executing hill slope protection works, including similar landslide treatment projects with the following minimum specifications in single similar project:

- Area of 3,040 sqm (25% of project area),
- Use of Self-Drilling Rock Anchors (SDRA) / Anchor bolts with fully threaded hollow bars,
- Installation of High Tensile Rolled Cable Net (minimum 100 kN/m tensile strength), and
- Flexible Rockfall Barrier of **3000 kJ capacity for a minimum height of 70.0 meters.**

Our Objections Are as Follows:

1. Non-Compliance with 70.0 m Height Criterion:

- Based on our site visit to the reference project cited by M/s. Shiva Structures Pvt. Ltd., we observed that the maximum height of the installed rockfall barriers is approximately **40–50 meters**, which falls short of the 70.0 m requirement stipulated in the RFP.
- We are enclosing herewith relevant tender documents and drawings chainage-wise, clearly indicating the actual installed heights of each rockfall barrier section. (Annexure III & IV)

2. Request for Verification from Supervisory Authority (THDC):

As the project was a BOQ-based tender under the supervision of **THDC India Limited (THDCIL)**—appointed by the **Shrine Board** as the DPR consultant and supervisory authority for SMVD—THDCIL was responsible for identifying vulnerable locations and advising on technical remedial measures. In this context, we respectfully request that the Evaluation Committee kindly **seek formal confirmation and validation from THDCIL**, including the **as-built drawings**, to verify the actual scope, technical parameters, and compliance of the executed work.

1. Tender Notice No: PW-CE-NH-CTR-Tender Notice/EPC-73/2025-1012-19,
2. Tender ID: 2025_MoRTH_862785

Dear Sir,

With reference to the technical evaluation uploaded on the portal dated 17th October 2025 for the bid titled "Landslide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in Himachal Pradesh," we hereby submit our formal objection to the technical qualification of M/s. Shiva Structures Pvt. Ltd. under Clause 2.2.2.2 (ii) of the RFP.

The certificate submitted by the bidder does not satisfactorily demonstrate compliance with key technical requirements, specifically the installation of 3000 kJ flexible rockfall barriers with a minimum executed height of 70.0 meters. Having executed similar works at multiple locations for the Shri Mata Vaishno Devi Shrine Board (SMVSB), and having submitted bid for the same work after detailed site survey and investigation, we possess firsthand knowledge of the site conditions, specifications, and execution standards required. This experience also makes us familiar with the actual scope and nature of the works carried out by M/s. Shiva Structures Pvt. Ltd. under the same authority.

All such projects under SMVSB were executed under the supervision of THDC India Limited (THDCIL), which acted as the DPR consultant and supervising authority. In this regard, we respectfully request that your esteemed office seek formal confirmation from THDCIL, including relevant drawings and documentation, to verify the actual scope and technical specifications of the works claimed.

In light of these discrepancies, we respectfully request a prompt re-evaluation of the technical bid submitted by M/s. Shiva Structures Pvt. Ltd., Postponement of the financial bid opening currently scheduled for 24th October 2025, and a declaration of their bid as non-responsive to ensure fairness, transparency, and adherence to the eligibility criteria specified in the RFP. We trust the Evaluation Committee will take the necessary steps to uphold the integrity of the tendering process.

Reference: Minutes of meeting dated 16.10.2025 regarding Technical Evaluation

Dear Sir,

We would like to bring your kind attention towards minutes of meeting referred above vide which we noticed that our Bid is decaled as Technically Non-Qualified as per clause 2.2.2.2 (iii) (c) by evaluation committee which is not acceptable to us since we were not given any objection letter nor any query was raised by the department so that we could give our explanation regarding the matter.

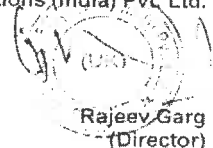

Sir, it is to inform you that, we are fulfilling all the required criteria as per clause 2.2.2.2 (iii) (c) for which we have submitted sufficient certificates and request you to kindly provide us the reason on which grounds we are not qualifying the required criteria?

We hope, you will do the needful on the matter so that we could not suffer from any injustice.

Thanking You,

Yours Faithfully,

For Bharat Constructions (India) Pvt. Ltd.

Name of Work: "Land Slide Mitigation including Slope 34 Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh"

Ref:

1. Tender Notice No: PW-CE-NH-CTR-Tender Notice/EPC-73/2025-1012-19,
2. Tender ID: 2025_MoRTH_862785

Dear Sir,

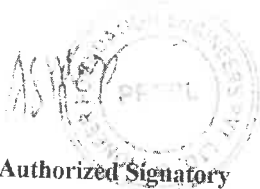

With reference to the technical evaluation uploaded on the portal dated 17th October 2025 for the bid titled "Landslide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in Himachal Pradesh," we hereby submit our formal objection to the technical qualification of M/s. Shiva Structures Pvt. Ltd. under Clause 2.2.2.2 (ii) of the RFP.

The certificate submitted by the bidder does not satisfactorily demonstrate compliance with key technical requirements, specifically the installation of 3000 kJ flexible rockfall barriers with a minimum executed height of 70.0 meters. Having executed similar works at multiple locations for the Shri Mata Vaishno Devi Shrine Board (SMVSB), and having submitted bid for the same work after detailed site survey and investigation, we possess firsthand knowledge of the site conditions, specifications, and execution standards required. This experience also makes us familiar with the actual scope and nature of the works carried out by M/s. Shiva Structures Pvt. Ltd. under the same authority.

All such projects under SMVSB were executed under the supervision of THDC India Limited (THDCIL), which acted as the DPR consultant and supervising authority. In this regard, we respectfully request that your esteemed office seek formal confirmation from THDCIL, including relevant drawings and documentation, to verify the actual scope and technical specifications of the works claimed.

In light of these discrepancies, we respectfully request a prompt re-evaluation of the technical bid submitted by M/s. Shiva Structures Pvt. Ltd., Postponement of the financial bid opening currently scheduled for 24th October 2025, and a declaration of their bid as non-responsive to ensure fairness, transparency, and adherence to the eligibility criteria specified in the RFP. We trust the Evaluation Committee will take the necessary steps to uphold the integrity of the tendering process.

Land Slide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh.

Ref: Your Email Dtd. 22/09/2025

Dear Sir,

In reference to your email cited above, we have received your email for clarification regarding our bid for the subject work. We understand the points raised and are providing the necessary documents to address them. Please find the following attached herewith:

Sr. No.	Query	Compliance
01	The proforma submitted as per Appendix-IA Annex-I and clause 2.1.14 i.e. categories of non-performer is incomplete and does not contains point no. xii to xx. Hence you are required to submit the complete proforma duly signed by the authorised signatory as per the uploaded RFP.	We have resubmitted the proforma as per Appendix-IA Annex-I and clause 2.1.14. The new document is complete and now includes all points from xii to xx. It has been duly signed by our authorized signatory. Please refer
02	Please submit the certificate from Authority Engineer not below the Rank of Executive Engineer mentioning the height of fixing Rock fall barrier above track level of minimum energy absorption 3000KJ or above in the project submitted by you at P-502 to 504 i.e. Protection/traetment work on slopes of track between Katra & Bhawan (Phase-III).	We have enclosed the certificate from the Authority Engineer (not below the rank of Executive Engineer). The certificate confirms the height of the rockfall barrier installation above track level and its energy absorption capacity of 3000KJ or above. Please refer
03	Undertaking certified by the statutory auditor that the Annual Accounts for the latest financial year 2024-25 are not audited and therefore the bidder cannot make it available as per RFP clause 2.2.2.8 (ii).	As our Annual Accounts for the latest financial year 2024-25 are not yet audited, we have included an undertaking certified by our statutory auditor, as per RFP clause 2.2.2.8 (ii). Please refer

We trust that these documents fully address the clarifications required. We look forward to the continued evaluation of our bid.

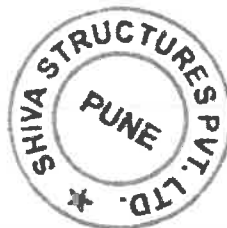

Thank you for your consideration.

ANNEX-I

Details of Bidder

1. A)	Name:	SHIVA STRUCTURES PVT. LTD.
b)	Country of incorporation:	India
c)	Address of the corporate headquarters and its branch office(s), if any, in India:	Sr. No. 2 & Hissa No. 2B, 3A & 3B, Opp. PMRDA, Office No. 112, 1st Floor, Bremen Chowk, West Avenue, Ganesh Khind Road, Prashikshan School, Aundh, Pune-411067, Maharashtra State, India, Mob.+91 9545554312
d)	Date of incorporation and / or commencement of business:	29/10/2008 Commencement of Business in Year 1996
2.	Brief description of the Bidder including details of its main lines of business and proposed role and responsibilities in this Project:	"Shiva Structures Pvt. Ltd." is a construction company based at Pune. The company is established track record more than 25 years indicates the ability and growth in the industry. Company was established in 1996 as a firm under the name of 'Shiva Construction' and converted in Private Limited company in Oct 2008 as 'Shiva Structures Pvt. Ltd.' The Company undertakes Construction of Dams, Canals, Bridges, Tunnels, as well as Slope Stabilization, Dam Rehabilitation, and Rockfall Protection Works
3.	Details of individual(s) who will serve as the point of contract / communication for the authority (a) Name: (b) Designation: (c) Company: (d) Address: (e) Telephone Number: (f) E-Mail Address: (g) Fax Number:	Mr. Satish Ukarde Dy. Manager Shiva Structures Pvt. Ltd. Sr. No. 2 & Hissa No. 2B, 3A & 3B, Opp. PMRDA, Office No. 112, 1st Floor, Bremen Chowk, West Avenue, Ganesh Khind Road, Prashikshan School, Aundh, Pune 0240-2481110 Mob. +91 9545554312 sspl.tenders@gmail.com NA
4.	Particulars of the Authorised Signatory of the Bidder: (a) Name: (b) Designation: (c) Address: (d) Phone Number: (e) Fax Number: NA (f) Class III Digital Signature Certificate ID number	Mr. Madhukar Dagduji Deshmukh Director Sr. No. 2 & Hissa No. 2B, 3A & 3B, Opp. PMRDA, Office No. 112, 1st Floor, Bremen Chowk, West Avenue, Ganesh Khind Road, Prashikshan School, Aundh, Pune 0240-2481110 Mob. +91 9823999925 (Serial No.) : 2DD22F92C37530AF689ED7WD05632345

5. In case of a Joint Venture: (a) The information above (1-4) should be provided for all the Members of the Joint Venture. (b) A copy of the Jt. Bidding Agreement, as envisaged in Clause 2.1.11(f) should be attached to the Application. (c) Information regarding the role of each Member should be provided as per table below:	<u>NOT APPLICABLE</u>
---	--

Sl.	Name of Member	Role	Share of work in the project
<u>NOT APPLICABLE</u>			

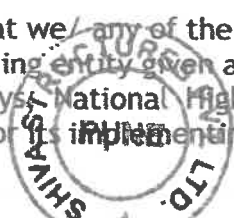

* The role of each Member, as may be determined by the Applicant, should be indicated in accordance with instruction 4 at Annex-IV.

(a) The following information shall also be provided w.r.t para 2.1.14 for each Member of the Joint Venture: **M/s. SHIVA STRUCTURES PVT. LTD.**

Sl. No.	Criteria	Yes/No
1	Has the Bidder/ constituent of the Joint Venture been barred by the Ministry of Road Transport & Highways or its implementing agencies for the works of Expressways, National Highways, ISC and EI works, from participating in bidding.	No
2	If the answer to 1 is yes, does the bar subsist as on BID due date.	No

6(a) I/ We certify that in the last two years, we/ any of the JV partners have neither failed to perform for the works of Expressways, National Highways, ISC & EI works, as evidenced by imposition of a penalty by an arbitral or judicial authority or a judicial pronouncement or arbitral award against us, nor been expelled or terminated by Ministry of Road Transport & Highways or its implementing agencies for breach on our part.

(b) I/ We certify that we/ any of the JV partners do not fall in any of the categories of being a Non-Performing entity given at Clause 2.1.14 of Instructions to Bidders in the projects of Expressways, National Highways, ISC and EI works of Ministry of Road Transport & Highways or its implementing agencies and furnished the complete details.

Shiva Structures PVT. LTD.

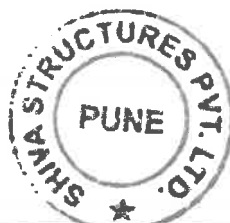

7(a) I/ We further certify that no investigation by a regulatory authority is pending either against us/any member of Joint Venture or our sister concern or against our CEO or any of our directors/managers/employees.

(b) I/ We further certify that no investigation by any investigating agency in India or outside is pending either against us/ any member of Joint Venture or our sister concern or against our CEO or any of our directors/managers/employees.

A statement by the Bidder and each of the Members of its Joint Venture (where applicable) disclosing material non-performance or contractual non-compliance in current projects, as on bid due date is given below (attach extra sheets, if necessary) w.r.t. para 2.1.14.

Name of the Bidder: M/s. SHIVA STRUCTURES PVT. LTD.

Sr. No.	Categories of Non-Performer	Name of Projects
i)	Fails to set up institutional mechanism and procedure as per contract.	No any
ii)	Fails to mobilize key construction equipment within a period of 4 months from the Appointed Date.	No any
iii)	Fails to complete or has missed any milestone and progress not commensurate with contiguous unencumbered project length /ROW available even after lapse of 6 months from respective project milestone/Schedule Completion date, unless Extension of Time has been granted due to Authority's Default or Force Majeure.	No any
iv)	Fails to achieve progress commensurate with funds released from Escrow Account (Equity + Debt + Grant) in BOT or HAM project and variation is more than 25% in the last 365 days;	No any
v)	Fails to achieve the target progress or complete the project as per schedule agreed at the time of sanctioning of funds under One Time Funds Infusion (OTFI) or relaxations to contract conditions to improve cash flow solely on account of Concessionaire's / contractor's failure/default;	No any
vi)	Fails to complete rectification (excluding minor rectifications) as per time given in non-conformity reports (NCR) in design/completed works/maintenance or reported in Inspection Reports issued by Quality Inspectors deployed by the Authority or Officers of the Authority.	No any

TO WHOMSOEVER IT MAY CONCERN

This is to certify that M/s. SHIVA STRUCTURES PVT. LTD. having it's registered office "Sr. No. 2 & Hissa No. 2B, 3A & 3B, Opp. PMRDA, Office No. 112, 1st Floor, Bremen Chowk, West Avenue, Ganesh Khind Road, Prashikshan School, Aundh, Pune-411067, Maharashtra State, India" has successfully executed the work titled: "Protection/Treatment Work on Slopes of Track between Katra & Bhawan (Phase-III)" as per the approved drawings and specifications.

The department has already issued Work Done Certificate No. EE/SB/Proj/25-26/378, dated 09/06/2025.

During the execution of the project, according to the slope of Hills and as per actual site conditions from existing track of Protection / Treatment Work on Slopes of Track between Katra & Bhawan (Phase-III) Rock Fall Barrier with minimum energy absorption capacity of 3000 KJ (or above) has been fixed at a height of 75 mtr above track level.

The work has been executed in accordance with the terms and conditions of the contract and to the satisfaction of the Department.

In continuation to your confirmation email of the certificate issued by your good office, it is informed that we had invited tender for our work **"Landslide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in Himachal Pradesh"**.

During the technical evaluation, three bidders —

- 1) Spar Geo Infra Pvt. Ltd.
- 2) Pioneer Foundation Engineers Pvt. Ltd.
- 3) Shiva Structures Pvt. Ltd.

were found to be technically qualified by the evaluation committee.

However 2 of the above qualified bidders *Spar Geo Infra Pvt. Ltd.* and *Pioneer Foundation Engineers Pvt. Ltd.* have submitted their representations against *Shiva Structures Pvt. Ltd.* **(COPIES OF THE REPRESENTATIONS ARE ATTACHED HERewith)**

In this regard We request you to kindly provide the following information pertaining to the execution of the work titled **"Protection / treatment work on slopes of track between Katra & Bhawan (Phase-III)"** carried out by *Shiva Structures Pvt. Ltd.* :

1. **As built drawing of the work duly certified showing Height of Erection** of rock fall barrier having an energy absorbing capacity of **3000 KJ or More** above the track level.

This clarification is essential for the finalization of Technical Evaluation of our work, as **Shiva Structures Pvt. Ltd.** was technically qualified based on the certificate issued by your good office mentioning that **"Rock Fall Barrier with minimum energy absorption capacity of 3000 KJ (or above) has been fixed at a height of 75 mtr. above track level."**

Your early response in this regard will be highly appreciated.

Nigam Vihar, Shimla-171002**Ref : BID FOR "Land Slide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh."****Subject: Submission Regarding delibratly Misrepresentation of Facts by M/s Shiva Structures Pvt. Ltd. in the Referred Tender.****Reference:** 1. Our previous letter No SPAR/PWDNH/2025-26/114 dated 03.11.2025.
2. Our previous letter No SPAR/PWDNH/2025-26/113 dated 18.10.2025.**Dear Sir,**

This is in continuation to our earlier letter under the reference cited above, concerning the subject matter. We wish to bring the following facts to your kind attention for necessary consideration:

1. The bid due date for the referred project was 17.07.2025.
2. In the bid documents, **M/s Shiva Structures Pvt. Ltd.** submitted an undertaking declaring that they were not debarred by any State Government/Agency as on the bid due date.

However, as per information available on the official web portal of Karnataka Power Corporation Limited (KPCL) a Government of Karnataka undertaking M/s Shiva Structures Pvt. Ltd. was debarred for a period of three years with effect from 17.12.2024. The debarment order explicitly states that the company was debarred for submission of **false documents**. (Copy of the debarment order is hereby enclosed for ready reference)

In light of the above, it is evident that M/s Shiva Structures Pvt. Ltd. submitted a false declaration in their current bid, thereby misrepresenting material facts. This constitutes a clear violation under Section-4 of the current RFP, which pertains to fraudulent and misleading practices.

Accordingly, since M/s Shiva Structures Pvt. Ltd. stood debarred by a State Government entity on the bid due date and failed to disclose this fact, their bid may be considered non-responsive/disqualified. We further request that appropriate action be taken as per the provisions of the RFP for this deliberate suppression of facts.

This submission is made in the larger interest of fairness, transparency, and adherence to the RFP terms and conditions. It is essential that all bidders compete on an equal and honest footing, **without any undue advantage arising from misrepresentation or inaccurate disclosures.**

Subject: Re: Certificate in favour of M/s Shiva Structure Pvt. Ltd.

Sir,

We have again received an email from M/s Spar Geo Infra Pvt. Ltd. as below :-

"We are raising our objection through this letter to your esteemed office, which we had earlier submitted through our letter dated **21st October 2025**, addressed to the **Chief Engineer, PWD (NH)**, concerning the said evaluation. This is because we have **not received any satisfactory clarification or outcome** from the department, wherein we had highlighted that **M/s. Shiva Structures Pvt. Ltd.** had claimed fabricated experience details pertaining to the height of the **Rockfall Barrier** in support of their similar qualification experience."

Subject: Clarification on KPCL Debarment Representation and Submission of Legal Status

Reference: Your email dated 13/11/2025 regarding Representaion against our firm in work of - Land Slide Mitigation including Slope Stabilization at Km 316/880 to Km 317/250 near Nigulsari and Km 330/350 to Km 330/560 near Nathpa on NH-05 in the State of Himachal Pradesh.

Respected Sir,

We acknowledge receipt of your above-referred email along with the enclosed communication issued by Karnataka Power Corporation Ltd. (KPCL) regarding the debarment of M/s. Shiva Structures Pvt. Ltd. We hereby submit our detailed clarification, supported by the relevant judicial order, for your kind perusal and record.

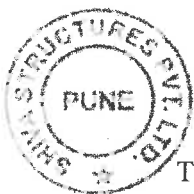

1. ACKNOWLEDGEMENT OF KPCL ORDER AND SUBSEQUENT LEGAL PROCEEDINGS

KPCL had issued a debarment order against our firm, M/s. Shiva Structures Pvt. Ltd., under Order No. EECK/Debarment Notice/861 dated 17/12/2024, debarring us from participating in future KPCL tenders for a period of three years. However, we would like to inform your good office that the said debarment order was **immediately challenged before the Hon'ble High Court of Karnataka, Bengaluru, by filing a writ petition.**

2. CURRENT LEGAL STATUS - DEBARMENT ORDER QUASHED BY HON'BLE HIGH COURT

We are pleased to inform you that the Hon'ble High Court of Karnataka has **quashed and set aside** the above-mentioned KPCL debarment order after examining the facts and merits of the case.

Details of the Judgment

- **Case Title:** M/s. Shiva Structures Pvt. Ltd. vs. Karnataka Power Corporation Ltd.
- **Case No.:** Writ Petition No. 15609 of 2025 (NC: 2025 : KHC:32095)
- **Court:** Hon'ble High Court of Karnataka at Bengaluru
- **Date of Judgment:** 19th August 2025

The Hon'ble High Court has held that the KPCL order suffers from violations of principles of natural justice - particularly non-compliance with Rule 26A (3) of the KTPP Rules, which mandates a reasonable opportunity and personal hearing before blacklisting. Consequently, the impugned debarment order has been **quashed in entirety**. Accordingly, **there is no operative debarment**

against our company from KPCL or from any other authority. We remain fully eligible and qualified to participate in all tenders and ongoing procurements without any restrictions.
(A certified copy of the judgment is enclosed for ready reference.)

3. SUPPORTING DOCUMENT ENCLOSED

Copy of Judgment dated 19/08/2025 of the Hon'ble High Court of Karnataka, Bengaluru, quashing KPCL Debarment Order No. EECK/Debarment Notice/861 dated 17/12/2024.

4. EFFECT OF THE COURT ORDER

The three-year blacklisting imposed by KPCL **no longer exists** and has **no legal force or applicability**. For all practical and legal purposes, the debarment is treated as **non-existent**.

5. COMPLIANCE WITH RFP - SECTION 4

Since the debarment order has been set aside by the Hon'ble High Court, **no action under Section 4 of the RFP** is attracted or applicable to M/s. Shiva Structures Pvt. Ltd.

We are fully compliant with all eligibility, integrity, and qualification criteria prescribed under the RFP.

CONCLUSION AND REQUEST

We hope the above clarifications, along with the enclosed judgment, satisfactorily address all concerns raised by your office. In view of the current legal position, we most respectfully request your good office to kindly:

- Consider our bid strictly on merits, and
- Proceed with evaluation without reference to the quashed KPCL order.

We remain grateful for your understanding and look forward to your positive consideration.

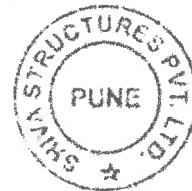

Thanking you,
Yours faithfully,

For **SHIVA STRUCTURES PVT. LTD.**

Shiva Structures Pvt. Ltd.

PARLATHAYA S
Location: High
Court of
Karnataka

**ORAL ORDER**

Challenging order bearing no.EECK/Debarment Notice/861 dated 17.12.2024 passed by respondent no.3 at Annexure-A, this writ petition is filed.

2. Sri Showri H.R., learned counsel for petitioner submitted that petitioner is a Private Limited Company registered under Companies Act, 2013, carrying on business as a promoters, builders, contractors, construction and maintenance of all types of buildings and special township projects/developmental works. It was submitted, respondent no.3 had invited tenders for work of *"Shotcreting to U/s face, Deep pointing to D/s face and Drilling and grouting to Reach-1 from Ch: 150 to 1100' of Linganamakki Dam"* and *"Shotcreting to U/s face, Deep pointing to D/s face and Drilling and grouting to Reach-II from Ch: 3130' to 4500' of Linganamakki Dam"* vide NIT No.KPCL/2022-23/DA/WORK INDENT 13439 Dtd: 08/02/2023 & NIT No.KPCL/2022-23/DA/WORK INDENT 13438 Dtd:08.02.2023.

3. It was submitted in pursuance of same, petitioner had submitted bid and was declared as L1 bidder. At time of submission of bid, petitioner had submitted Joint Venture

Agreement ('JVA', for short) with M/s. Pioneer Foundation Engineers Private Limited ('PFEPL', for short) in order to demonstrate experience. It was submitted, respondent no.3 had earlier invited tenders in respect of same work in year 2020 and 2022. While applying for said tender, petitioner had also produced JVA with PFEPL, but due to oversight a different version of JVA was uploaded. On ground that there was discrepancy in JVA submitted earlier and JVA submitted in year 2023, respondent no.3 had issued a notice to petitioner seeking clarification. Petitioner had submitted detailed reply as per Annexure-D.

4. It was submitted, despite clarification, petitioner was issued with show cause notice dated 15.03.2024 as per Annexure-E proposing debarment/black listing. Even to same, petitioner submitted reply on 30.03.2024 as per Annexure-F. Without considering reply, respondent no.3 proceeded to pass impugned order at Annexure-A under Section 14A of Karnataka Transparency in Public Procurements Act, 1999, ('Act', for short) debarring petitioner from participating in future tenders for period of three years from date of order. Aggrieved thereby, this writ petition is filed.

5. Main ground urged by learned counsel for petitioner was that Hon'ble Supreme Court in case of **Kulja Industries Limited v. Chief General Manager, Western Telecom Project Bharat Sanchar Nigam Limited and Others**, reported in **(2014) 14 SCC 731**, had elaborated principles governing blacklisting and which were referred to by this Court in W.P.no.35902/2024 disposed of on 17.04.2025 highlighting need for fair play and opportunity prior to blacklisting. Relying upon same, it was submitted that impugned order was liable to be quashed on ground of violation of principles of natural justice.

6. On other hand, Smt.Vaheeda, learned Additional Government Advocate for respondent no.1 and Sri Kiran Kumar V. Sambrani, learned counsel for respondents no.2 and 3 opposed writ petition.

7. Learned counsel for respondents no.2 and 3 submitted that upon issuing notice at Annexure-E, petitioner had submitted its reply as per Annexure-F. Perusal of Annexure-F would reveal that petitioner admitted discrepancy insofar as JVA with PFEPL dated 23.11.2016. While JVA submitted in tenders of year 2020 and 2022 indicated sharing

ratio at 80% by petitioner and 20% by PFEPL, while JVA uploaded in pursuance of tender notification of year 2023 shared ratio to be at 60:40, indicating that petitioner had submitted tampered documents while submitting bid. It was submitted, action taken by respondents was strictly as per Rule 26A of Karnataka Transparency in Public Procurements Rules, 2000, ('Rules', for short) read with Section 14 of Act. Therefore, no interference was warranted.

8. Heard, learned counsel and perused writ petition.

9. From above, petitioner's challenge against order of debarment at Annexure-A is principally on ground of violation of principles of natural justice. Rule 26A (3) of Rules, specifically provides for reasonable opportunity including oral hearing to concerned for making representations against proposed action to be given by Debarment Committee. Apparently impugned order at Annexure-A does not indicate compliance with said requirement. On said ground alone, impugned order at Annexure-A passed by tender authority requires to be set-aside. Hence, following:

pr

WP No. 15609 of 2025

ORDER

- i. Writ petition is **allowed**.
- ✓ ii. Impugned order bearing no.EECK/Debarment Notice/861 dated 17.12.2024 at Annexure-A is quashed.
- iii. Matter stands remitted back to Debarment Committee to afford opportunity of personal hearing to petitioner before recommending for further action, if so required.
- iv. To enable early conclusion, it is ordered that Debarment Committee shall give intimation about date of personal hearing to petitioner within a period of 15 days from today.

SUBJECT: - Request for Clarification Regarding Bid Rejection.

Dear Sir/Mam,

We, M/s Pavai Infra Geotech, wish to formally reiterate our request for clarification regarding the rejection of our bid for the referenced project, with reference to the Minutes of the Technical Evaluation Meeting held on 16-10-25.

We were surprised to learn of the rejection, as we believe we meet the eligibility criteria. Therefore, we respectfully request a clear explanation under Clause 2.2.2.2 (iii)(c) specifying the grounds for our disqualification.

We hereby resubmit our completion certificates along with this letter for your kind perusal, as they substantiate compliance with the tender requirements.

A detailed clarification would greatly assist us in understanding how this clause was applied and in ensuring full compliance in future submissions.

We would appreciate your response at your earliest convenience.

Thanking you and eagerly awaiting for reply from your end. If you need any further clarifications or details, please do not hesitate to contact us anytime at info@pavaigeotech.com, rajulatha@pavaigeotech.com, Mob. +91-9842952214.
