2.3 All thirty-seven (37) bids were handed over to the financial consultant, M/s Wisewiz Advisors Pvt. Ltd., for technical evaluation. The State level evaluation committee in its meeting held on 04-02-2026 evaluated the bids and recommended the following:

(i) Below-mentioned 5 (five) bidders were declared as technically non-responsive:

S. No.	Name of the Bidder	Reason
1.	New India Structures Pvt. Ltd.	Bidder has submitted the Certificate from Welspun Enterprises Ltd. (A private Company) Instead of Government Client certifying the work done by New India Structures Pvt. Ltd. Further, as per clause 2.2.2.2, in case the claimed project/(s) are subcontracting / JV project in such a case approval from Govt. Authority / client is required (restricted to allowable sub- contracting limit/JV share in original Contract), and the project claimed by the Bidder is sub-contracting project by Welspun Enterprises Ltd. and no approval from Govt. Authority / client (restricted to allowable sub-contracting limit/JV share in original Contract) has been submitted by the Bidder. In this regard, bidder has not submitted any response. Therefore, the bidder fails to meet the minimum eligibility criteria of clause 2.2.2.2(ii) of RFP.
2.	Preeti Buildcon Pvt. Ltd.	Bidder in its reply has submitted the revised Annex-II and Annex-IV after adding two more additional projects, which was not claimed in the original bid, therefore, the said submission shall be considered as additional and modification of Bid after Bid Due Date which is not allowed as per clause 2.14.3.1 of RFP. Hence, the same cannot be considered and the Bidder is not meeting the minimum eligibility criteria of Rs. 256.54 crore required as per clause 2.2.2.2(i) of RFP
3.	Durga Construction Company	In Project Code (a) & (b), bidder has claimed the 100% experience whereas the Bidder is approved sub-contractor for only 49% and accordingly we have considered only 49% value of payment received and as a result of the same the Bidder fails to meet the minimum eligibility criteria specified under clause 2.2.2.2(i) of RFP
4.	Murari Lal Agarwal	(The Bidder is declared technically non-responsive and is ineligible for next stage of bidding process as the Bidder has claimed 5 Projects out of which in 2 (two) projects bearing code (d) and (e), payment received by the Bidder during last 5 financial years are less than Rs. 25.65 cr. Hence, these projects cannot be considered under evaluation as per clause 2.2.2.6(ii) of RFP and the said clause did not specify after updating it. Therefore, the Bidder fails to meet the minimum eligibility criteria required as per clause 2.2.2.2(i) of RFP.
