15	M/s Gammon Engineers and Contractors Private Limited and M/s Silica Infra Pvt Ltd (JV)	There was a Qualified Opinion mentioned by the Statutory Auditor of the Lead Member M/s Gammon Engineers and Contractors Private Limited regarding Interest Waiver of Rs. 361.60 Cr. during year 2023-24 and Rs. 253.47 Cr. during year 2022-23 pending approval of the lending banks. However, the Statutory Auditor of the Lead Member of the Bidder while certifying the Net Worth as on 31.03.2024 and the Average Annual Turnover for last 5 financial years has not taken into consideration the Financial Impacts of the items mentioned under the basis of Qualified Opinion. Therefore, in the absence of Statutory Auditor's certificate considering and deducting the Financial impact of each and every items mentioned in the Qualified Opinion issued by Statutory Auditor in its Auditor's Report for the FY 2023-24, the actual Net Worth of the Bidder as on 31.03.2024 after taking the effect of such qualified opinion comes out to be negative and consequently, the Lead Member of the Bidder fails to meet the minimum eligibility criteria specified in Clause 2.2.2.4 (i) of RFP, i.e. satisfying at-least 60% criteria of Net Worth. Hence, the Bid submitted by the Bidder has been considered as technically non-responsive.	
17	M/s H. G. Infra Engineering Limited	The Authorized Signatory of the Bidder as per POA for signing of Bid was Mr. Harendra Singh and the Executor was Mr. Devendra Bhushan Gupta. However, the DSC used by the Bidder for uploading the Technical Bid was in the name of Mr. Kailash Chandra Gupta. As per Clause 2.14.1.1 of RFP, <i>DSC should be in the name of the <u>authorized signatory as authorized in Appendix III of this RFP or person executing/delegating such Appendix III</u> in favor of Authorized Signatory. It should be in corporate capacity (that is in Bidder capacity / in case of JV in the Lead Member capacity, as applicable). The Bidder shall submit document in support of the class III DSC. <u>In other cases, the bid shall be considered Non- responsive.</u></i> Since in the instant case, the DSC used by the Bidder is neither of the Authorized Signatory nor of the Person executing/delegating such Appendix-III, the Bid submitted by the Bidder has been considered as technically non-responsive.
