At the onset, concerned Executive Engineer, National Highway Division, Sangrur at Patiala informed the committee that earlier the bids for the work were invited vide tender notice no. 06 dated 03.07.2025 as per approved SBD while following due applicable bidding procedure. Two nos. bids of M/s Varinder Kumar Contractor Barnala and M/s SKA Infra Project Private Limited Mansa were received which were evaluated and both bidders were found to be technical responsive. Accordingly, the financial bids of the same were opened on dated 10.09.2025 and the rate quoted was 4.89% below put to the tender by M/s Varinder Kumar Contractor Barnala was found lowest (L-1). After deliberate discussion, the committee members were of the considered view that the rates quoted by the L-1 bidder in the instant bid were not competitive in nature considering the financial bid quoted by the same contractor in proximity of the instant work and the rates quoted by the L-1 contractor were not in line with the ongoing trends of the rates quoted by the contractors in the department. Accordingly, the committee members recommended to recall the instant tender so as to have more competitive rates thereby leading to the financial saving to the Government Exchequer.

Accordingly, the tender for the same has been recalled vide this office tender notice no. 10 dated 16.10.2025. Following two bids were received for the above mentioned work on the last date of receipt of bids i.e. 02.12.2025.
