CORRIGENDUM - Consideration of Representations received from Technically Non-responsive Bidders

Please refer to the earlier summary of technical bids evaluation dated 06.01.2026 uploaded on the CPP Portal, wherein the following two bidders were declared technically responsive:

- i. M/s Connect Fittings Private Limited
- ii. M/s E-verve Design

And the following five bidders were declared technically non-responsive:

- i. M/s Bisandas Associates LLP
- ii. M/s nPS Infrastructure
- iii. M/s Indesign Office Solutions Private Limited
- iv. M/s K Plus M Space Solutions
- v. M/s AB Corporate Interiors Private Limited

Accordingly, the non-responsive bidders were given an opportunity to clarify their position with respect to the deficiencies observed in their bids latest by 13.01.2026.

2. As of the given deadline, only two responses were received, i.e. from **M/s K+M Space Solutions** and **M/s Indesign Office Solutions Private Limited**. Upon review by IAHE, it was found that the bids of both **M/s K+M Space Solutions** and **M/s Indesign Office Solutions Private Limited** are now considered technically responsive. Therefore, the number of technically qualified bidders is now revised from two to four, as listed below:

- i. M/s Connect Fittings Private Limited
- ii. M/s E-verve Design
- iii. M/s Indesign Office Solutions Private Limited
- iv. M/s K Plus M Space Solutions

Further, since no representations were received from the remaining three bidders, they continue to remain non-responsive:

- i. M/s Bisandas Associates LLP
- ii. M/s nPS Infrastructure
- iii. M/s AB Corporate Interiors Private Limited
