4. Tender committee has evaluated the bids as per provisions of RFP, technical evaluation report is enclosed for reference. As per the technical evaluation report, following observations are noted:-

(1/2) M/s Aadyant Buildcon LLP :-

It is noted that the bid capacity of the bidder M/s Aadyant Buildcon LLP is less than the bid value of the work (2.69 Cr.). As per clause 2.2.2.1 of the RFP, "Bidders who inter alia meet the minimum qualification criteria will be qualified only if their available BID capacity is more than the total BID value...". Hence, the bidder is treated non-responsive.

5. The bids have been evaluated and the tender committee recommends the following: -

- 5.1 To declare the bidder namely (1/2) M/s Aadyant Buildcon LLP as technically non-responsive and the bidder namely (2/2) M/s G.R. Engineers & Contractors as technically responsive.
- 5.2 As only one bidder has technically qualified the bid, the tender committee recommends re-inviting of the tender.
- 5.3 To return EMD of the bidders.
