CGM (Tech.) & Regional Officer

Minutes of Meeting of Tender Evaluation Committee (Technical Evaluation) dated 28.10.2025 for "Pre-Qualification of Applicants for Implementing Maintenance Works to be taken up on Risk and Cost of the Concessionaire/Contractor under the jurisdiction of RO-Vijayawada" (Tender Ref. No. 2025_NHAI_239156_1)

Based on the deliberations made, the Evaluation Committee recommended to obtain clarifications from the following applicants vide MOM dated 01.09.2025.

- (i) M/s. Vijayalakshmi Projects LLP
- (ii) M/s. Siddharth Construction
- (iii) M/s. R K Chavan Infrastructure Pvt. Ltd
- (iv) M/s. JBCO Infratech Private Limited
- (v) M/s. Fairways Toll and Security Services Pvt. Ltd

2. Accordingly, Regional Officer, Vijayawada vide letter no.3583, 3584, 3585, 3586 & 3587 dated 09.09.2025 has sought clarification from the above applicants with a request to submit clarification within 7 days with supporting documents for which clarifications have been received from all the applicants except M/s. JBCO Infratech Private Limited.

(i) M/s. Vijayalakshmi Projects LLP:

(i)	Clause 3.3 (A) (a) of Section – 2. Instructions to Applicants (ITA) stipulates that, "For evaluating the eligibility on average annual financial turnover (in all classes of civil engineering construction and maintenance works only) during last five year ending 31st March of the previous financial year duly certified by Statutory Auditor shall be considered as 100% of average annual financial turnover....." However, nowhere in the Turnover Certificate duly certified by Chartered Accountant M/s. RGM & Associates it is specified that the turnover is from Civil Engineering Construction and Maintenance Works only. In this regard, the Applicant is requested to confirm the actual income from construction and maintenance of civil engineering works only.	We have being executed highway Civil Construction and Maintenance works only. Accordingly, updated average annual turnover certificate by statutory auditor with writing of construction turnover is attached.	It is observed that the applicant has submitted the Statutory Auditor certificate of RGM & Associates confirming that the turnover as submitted during bidding is that of the turnover from Civil Construction Turnover only. The same has been verified with the Statutory Auditor certificate submitted during bidding and found that both the turnovers are same. Hence, the Committee opined to consider the clarification submitted by the Applicant.

(ii)	Foot Note to Clause 1.9 (a) of Self-Assessment Eligibility Qualification Information Form of Section - 3. Qualification Information stipulates that, "Upload certificate(s) from the Authority (to be given by an officer not below the rank of Executive Engineer or equivalent or higher and also supply original or certified copy in physical form envelope form by the Applicant when intimated by Authority". However, on verification it has been observed that the Experience Certificates in proof of similar nature of works submitted by the Applicant were issued by TOT - Concessionaire. In this regard, the Applicant is requested to confirm the proof of certificate issued by Executive Engineer or equivalent or higher.	We have received experience certificate from NHAI and submitted for one of the projects i.e., Pallahara to Pitiri section and for remaining two projects i.e., Nirmal BOT & Dewas Bhopal, we have received experience certificates from the Concessionaire and NHAI certification is under process and instant herewith attached Statutory Auditor certificates for the evidence of receipts of payments under "Similar Nature of Works".	The Applicant has informed that the Experience Certificates in respect of projects at Sl. No. 8 & 9 are under process. However, the applicant has attached the Statutory Auditor M/s. R G M & Associates certificates specifying that the Applicant has successfully completed construction works and has received corresponding payments. As the applicant could not submit the Experience Certificates duly signed by Executive Engineer or equivalent or higher as per Foot Note to Clause 1.9 (a) of Self-Assessment Eligibility Qualification Information Form of Section - 3. Qualification Information, the Committee recommends to consider only project at Sl. No.12 issued by . PD, PIU, Dhenkanal, NHAI which is meeting qualification criteria in respect of similar work under Class - D.

(ii) **M/s. Siddharth Construction:**

(i)	Clause 3.3 (A) (a) of Section - 2. Instructions to Applicants (ITA) stipulates that, "For evaluating the eligibility on average annual financial turnover (in all classes of civil engineering construction and maintenance works only) during last five year ending 31st March of the previous financial year duly certified by Statutory Auditor shall be considered as	We would like to respectfully clarify that we are a construction company engaged exclusively in Civil Engineering Construction and Maintenance works, and our turnover has been generated solely from such activities. In this regard, please find enclosed a revised Turnover	It is observed that the applicant has submitted the Statutory Auditor certificate of R.K. Chari & Co confirming that the turnover as submitted during bidding is that of the turnover from Civil Engineering Construction work only. The same has been verified

	100% of average annual financial turnover....." However, nowhere in the Turnover Certificate duly certified by Chartered Accountant M/s. R.K. Chari & Co it is specified that the turnover is from Civil Engineering Construction and Maintenance Works only. In this regard, the Applicant is requested to confirm the actual income from construction and maintenance of civil engineering works only.	Certificate duly certified by M/s. R. K. Chari & Co., Chartered Accountants and signed by the Authorized Signatory, explicitly confirming that the turnover pertains only to civil engineering construction and maintenance works. We further submit that the above clarification and the enclosed certificate fulfil the requirements stipulated under Clause 3.3 (A) (a) of Section – 2 of the RFP.	with the Statutory Auditor certificate submitted during bidding and found the same in order. Hence, the Committee opined to consider the clarification submitted by the Applicant.

(iii) **R. K. Chavan Infrastructure Pvt. Ltd:**

Sl. No	Clarification Sought	Clarification furnished	Comments of Committee
(i)	Clause 3.3 (A) (a) of Section – 2. Instructions to Applicants (ITA) stipulates that, "For evaluating the eligibility on average annual financial turnover (in all classes of civil engineering construction and maintenance works only) during last five year ending 31st March of the previous financial year duly certified by Statutory Auditor shall be considered as 100% of average annual financial turnover....." However, nowhere in the Turnover Certificate duly certified by Chartered Accountant M/s. S.H. Kocheta & Associates it is specified that the turnover is from Civil Engineering Construction and Maintenance Works only. In this regard, the Applicant is requested to confirm the actual income from construction and maintenance of civil engineering works only.	We confirm that the entire turnover certified by our Statutory Auditor M/s. S.H. Kocheta & Associates pertains exclusively to Civil Engineering Construction and Maintenance works executed during the last five financial years ending on 31.03.2024. A turnover certificate issued by the Statutory Auditor clearly certifying that the turnover is derived from Civil Engineering Construction and Maintenance works only	On verification of the clarification, it is observed that nowhere in the Statutory Auditor certificate it was mentioned that the turnover is derived from Civil Engineering Construction and Maintenance works only. However, the Applicant is having an experience of two works of values Rs.217.82 Crore & Rs.57.36 Cr during 2019-20 for which experience certificates have been issued by EE, PWD. If only those two works cost is considered, the Annual Turnover would be Rs.55 Crore which is more than Rs.30 Crore required under eligibility criteria for Class – A. Hence, the Committee recommends to consider the Applicant to qualify under average annual turnover clause as Class – A.

(iv) M/s. JBCO Infratech Private Limited:

Sl. No	Clarification Sought	Clarification furnished	Comments of Committee
(i)	Clause 3.3 (A) (a) of Section – 2. Instructions to Applicants (ITA) stipulates that, "For evaluating the eligibility on average annual financial turnover (in all classes of civil engineering construction and maintenance works only) during last five year ending 31st March of the previous financial year duly certified by Statutory Auditor shall be considered as 100% of average annual financial turnover....." However, nowhere in the Turnover Certificate duly certified by Chartered Accountant M/s. K Ramawati & CO it is specified that the turnover is from Civil Engineering Construction and Maintenance Works only. In this regard, the Applicant is requested to confirm the actual income from construction and maintenance of civil engineering works only.	Nil	The applicant has not furnished any clarification. As per Clause 18.3 of RFQ, "if any applicant does not provide clarification sought within the prescribed time its application shall be liable to be rejected. The decision of the Authority shall be final and binding". Though the applicant has not submitted any clarification, the experience certificates uploaded on portal at Page No. 62 to 65 in respect of two works viz., (i) 4/6 laning of Kharar – Ludhiana section of NH-95 (New NH-05) & (ii) Rehabilitation and Upgradation to 4 lane with paved shoulder from Ambala to Sahi section of NH-444A in the State of Haryana can be considered for arriving the average annual turnover on civil works which is working out to Rs.20.14 Cr (Rs.25 x 1.2 + Rs.61.5 x 1.15 / 5). Therefore, the applicant is found to be eligible under Class – C w.r.t average annual turnover clause.

(v) M/s. Fairways Toll and Security Services Pvt. Ltd:

Sl. No	Clarification Sought	Clarification furnished	Comments of Committee
(i)	Clause 3.3 (A) (a) of Section – 2. Instructions to Applicants (ITA) stipulates that, "For evaluating the eligibility on average annual financial turnover (in all classes of civil engineering construction and maintenance works	Clarification e-mail from Chartered Accountant enclosed	On verification of the Chartered Account Certificate it is observed that the turnover from exclusive Civil Engineering and Infrastructure related activities during last five years is confirmed

	only) during last five year ending 31st March of the previous financial year duly certified by Statutory Auditor shall be considered as 100% of average annual financial turnover....." However, nowhere in the Turnover Certificate duly certified by Chartered Accountant M/s. Trak & Associates it is specified that the turnover is from Civil Engineering Construction and Maintenance Works only. In this regard, the Applicant is requested to confirm the actual income from construction and maintenance of civil engineering works only.		as Rs.25.3 Cr. Therefore, the Applicant is found to be qualified as Class – B under average annual turnover clause.
(ii)	Foot Note to Clause 1.9 (a) of Self-Assessment Eligibility Qualification Information Form of Section – 3. Qualification Information stipulates that, "Upload certificate(s) from the Authority (to be given by an officer not below the rank of Executive Engineer or equivalent or higher and also supply original or certified copy in physical form envelope form by the Applicant when intimated by Authority". However, the Experience Certificate in proof of similar nature of works for Project No.2 has been issued by Concessionaire. In this regard, the Applicant is requested to confirm the proof of certificate issued by Executive Engineer or equivalent or higher.	Experience Certificate of Project No. 2: The applicant has enclosed the Experience Certificate from Concessionaire & NHA/ which was certified in 2021.	Clarification as submitted by the applicant has been verified. The applicant has uploaded details of 2 works under similar nature of work completed during the last seven years out of which experience certificate has been uploaded along with the bid in respect of Project at Sl. No. 1. Now, while submitting clarification the applicant has enclosed experience certificate issued by NHA/ PIU, Coimbatore in respect of Project at Sl. No. 2 also which is observed to be issued on 06.12.2021 itself. Therefore, the Committee recommends to consider the clarification submitted by the applicant.
(iii)	As per Clause 1.2 of Self-Assessment Eligibility Qualification Information Form of Section – 3. Qualification Information, the Applicant has applied for Empanelment under Class – A. In this regard, the Applicant is requested to confirm whether any other similar work satisfying the criteria of Class A has been submitted in the bid document.	The applicant has submitted clarification stating that; "It can be decided as per the evaluation".	On detailed evaluation, the Committee observed that the applicant is qualifying for Class – C as against the applied empanelment of Class – A.

2. Subsequently, the Committee has deliberated & evaluated all the 07 Nos. of applications based on available scanned copies. The summary of the detailed technical evaluation is submitted hereunder;

S. No	Name of Applicant	Recommendation	Class of Empanelment applied by the Applicant	Final Pre-qualification Category

Detailed Technical Evaluation enclosed as Annexure-A

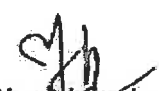

3. The Committee recommends circulating the Evaluation of applications in e-tender portal to receive objections from the Applicants within a period of 7 days as per Clause 18.4 of Section-2 ITA of RFQ. The Committee decided to meet after receiving objections, if any, from the Applicants at a convenient date and time.
