This is in continuation of pre-page 3:

As per the approval issued vide note dated 23.07.2025 by the Regional Officer, Nagpur, bids for the subject work have been invited on 24.07.2025 [from 11:00 A.M.] with bid due date as 23.08.2025 up to 11:00 A.M. As per the tender schedule, the "Technical Bids" have been opened on **25.08.2025** and the Committee considered all the Bids for further evaluation.

- 1) No authorised representative of bidders was present to witness the opening of technical proposals. NIL attendance sheet is placed below at **Annexure-1**.
- 2) The bid evaluation Committee completed the "detailed technical evaluation" of the received SINGLE BID as per **Clause 26 of Section-II: ITB of RFP** and NIL shortcomings have been noted in the documents uploaded by the SINGLE BIDDER on the e-Tender portal. Hence, the Committee has completed / finalized the "Technical evaluation" of the received e-bids which is placed below at **Annexure-III**.
- 3) At Clause - **4.1 (b) of Section I 'Instructions to Bidders (ITB)' of the RFP Document (F/C)**, minimum experience of one year in relevant field, i.e. Hotel / Restaurants including operation & maintenance of toilets has been sought.

At Sr. No. 2 of the detailed "Technical Evaluation Report" placed below at **Annexure-III**, it is noted that the SINGLE BIDDER has produced a separate proof of having experience in "maintenance of toilets". However, it is noted that **they are running Hotel / restaurant and the same must have got toilet for customers in their establishment**. Hence, this Committee considered them to have requisite experience in "maintenance of toilets" and recommended their bids as "Technically responsive".

The bids received from the only 1 bidder are found to be "Technically Responsive":
