Ref: Tender ID: 2025_NHAI_245024_1

With reference to the subject Blackspot rectification work on EPC Mode, it is to inform that, the proposed alignment of Vehicular Underpasses (VUPs) of NHAI in the Subject Project section of NH-44 would potentially affect the Alignment of Madurai Metro in between the locations of Kappalur and Thoppur as proposed by the M/s Chennai Metro Rail Limited (CMRL). Also, the subject Tender documents/RFP needs amendment w.r.t. the latest amendments/new provisions communicated by NHAI, HQ, hence, the Competent Authority of NHAI has decided to annul the subject EPC bidding, at this juncture, to avoid any impediments during construction.

This is issued with approval of RO-Madurai.
