Minutes of Evaluation Committee meeting held on 11.12.2025 at O/o Regional Officer, Vijayawada for Technical Evaluation of the work "Operation and Maintenance of Grade Separator from H-7 area to Port Connectivity Road bypassing convent junction, Ramp-A & Ramp-D of NH-516C in the state of Andhra Pradesh on item rate (percentage) basis" (Tender ID: 2025_NHAI_253685_1)

NIT was hosted on e-tender portal of NHAI <https://etenders.gov.in> on 29.10.2025 with Extended Bid due date as 04.12.2025 and opening of technical bids as 05.12.2025.

2.1 In response to above NIT, only one (1) bid was received online from the following firm within the scheduled date and time.

Sl. No	Name of the bidder / firm
(i)	M/s. Shiva Bulldtech Private Limited

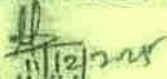

2.2 Evaluation Committee met again on 09.12.2025 and carried out detailed technical evaluation as per Clause 26 of Section-I: Instructions to Bidders of RFP.

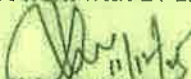

2.3 The Evaluation Committee observed that only one (01) bid was received on the e-tender portal. In this regard, please refer to NHAI Policy Circular No.18.78/2022 dated 18.02.2022 which stipulates that, even when only one bid is submitted, the process should be considered valid provided following conditions are satisfied:

- (i) The procurement was satisfactorily advertised and sufficient time was given for submission of bids;
- (ii) The qualification criteria were not unduly restrictive; and
- (iii) Prices are reasonable in comparison to market values.

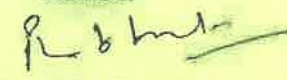

2.4 The Evaluation Committee observed that time given for submission of bids is only 30 days as stipulated for O&M works and further extension of 6 days which resulted in less competitive bidding. In order to have good competitive bidding and better competition the Evaluation Committee opined that the single bid received may be rejected as per NHAI Policy Circular No.18.78/2022 dated 18.02.2022 and to invite fresh bids (2nd call) with 3 weeks (21 days) period.

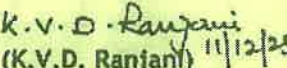

3. In light of the above, the Committee recommends to annul the bidding process and to invite fresh bids/Tenders for the subject work with 21 days time.
