3.	M/s Trimurthy Construction	Non-Responsive	Technically -Non Responsive 1. Bidder has submitted along with its reply the client certificate for the project "construction of Banda Flyover in Sindhudurg district of Maharashtra" also claimed in the Bid. The longest span of the flyover in the project is 36 m with the aggregate length of 360 m. As per Clause 2.2.2.2 (iii) of the RFP, the minimum span of a Major Bridge/ROB/Flyover/VUP should be 40 m with an aggregate length of 324 m. However, the project claimed by the bidder does not indicate compliance with this requirement, and the same has not been clarified in the reply submitted by the bidder. Therefore, the same may not be considered and on the basis of same, Bidder is not meeting the Technical capacity criteria required as per clause 2.2.2.2(iii) of RFP. 2. Bidder has submitted along with its reply the Amendment to the Bank Guarantee confirming the project name as "Construction of 4 Lane Elevated Corridor

			from KM 12+695 to KM 14+620 in Kuwarbav Section of NH 166 (Descoped Work of Ratnagiri Package 1) in the State of Maharashtra on EPC Mode under NH (O)". However, the same is not executed on the Non-judicial stamp paper Also, as the BG is signed by two Authorised Signatories of the bank therefore the Amendment is also required to be signed by two Authorised Signatories however the Amendment submitted in the reply is signed by one Authorised Signatory of the Bank. Hence the same may not be considered.
