iii) NIT 12676/PIU-TVM/Traffic signal/Tender/2nd Call/2025-26 dated 07.11.2025
iv) Technical Evaluation MoM dated 10.12.2025

Committee consisting of following officers was constituted vide ref (ii) for evaluation of bids for the subject tender:

- i) Sh. Debaprasad Sahoo, DGM(Tech.) and Project Director, PIU - Thiruvananthapuram
- ii) Sh. Venkatesh Prasad S, Dy. Manager (Tech.), PIU-Thiruvananthapuram
- iii) Sh. Abhishek Bhardwaj, Dy. Manager (Tech.), PIU-Thiruvananthapuram
- iv) Ms. S. Latha, Ast. Manager (F&A), PIU-Thiruvananthapuram

The first-call technical bids, opened on 13.10.2025 against the bid due date of 11.10.2025, received only a single bid from M/s Kerala State Electronics Development Corporation Ltd. (KELTRON); therefore, in accordance with extant guidelines dated 18.02.2022, the Committee unanimously decided not to proceed with evaluation and to re-invite the tender to ensure adequate competition. Accordingly, the tender was re-invited and the technical bids, opened on 10.12.2025 against the bid due date of 06.12.2025, were received from six bidders, of which three bidders—KELTRON, M/s Microtrans Infra Tech Limited, and M/s M J Infra—were found technically responsive, while three bidders—M/s Sneh Enterprises, M/s Yemota Systems and Solutions Pvt. Ltd., and M/s Jaabilli Constructions Private Limited—were declared non-responsive due to non-compliance with stipulated experience requirements in related works. The Committee further decided to upload the technical evaluation results on the e-tender portal, invite representations up to 18.12.2025, and thereafter proceed with opening of the financial bids after due examination of any representations received.

Representations were received only by M/s Sneh Enterprises which was examined and the committee unanimously decided that the firm could not comply with the stipulated experience requirements in related works.
