(Enclosure to RO Mumbai Ltr. No. 1913..... dtd. 19.01.2026)

Name of Bidder	Minimum Qualification as per RFP	NHAI, RO Mumbai Observation	Bidder Submission
M/s A B Wagh	As per Cl. 2.2.2.1 "Bidders who inter alia meet the minimum qualification criteria will be qualified only if their available BID capacity is more than the total BID value (value as per Clause 1.1.1)." As per above clause, the Bid Capacity should be more than Rs. 19.83 Cr.	While calculating the Bid Capacity, the bidder took the value of "N" as 1. However, the completion period of project is only 4 months. Therefore, value of "N" shall be 0.33. Accordingly, the Bid Capacity came out to be Rs. 6.53 Cr. which was less than the Bid Value.	The bidder in its representation dated 13.01.2026 submitted clarification regarding the bid capacity. After adjusting the value of "B" and "N" for 4 months, the updated bid capacity came out to be Rs 51.27 Cr. which is more than required Bid Capacity of Rs 19.83 Cr. Hence the Committee found the bidder technically responsive.
