Sub: Corrigendum to e-tender no. ZW8SC25001 for Engagement of pharmacies under Online & Offline category for Supply of Medicines and Medical Consumables to ONGC Beneficiaries across ONGC Work centres for a Period of 03 Years

It has come to the notice that bidders are facing technical issue while uploading the Price Bid / BOQ in GePNIC-CPP portal. The same was discussed with the GePNIC Helpdesk team to resolve the issue. In response, GePNIC team informed that the structure of uploaded BOQ cannot be changed at this stage. Further, they also informed that, for resolving such type of issues, there is no option other than choosing 'Re-tender' option available under corrigendum in GePNIC-CPP Portal.

Accordingly, the subject corrigendum is being issued through GePNIC-CPP Portal so that the Price Bid / BOQ can be re-uploaded on portal. It is also informed that now custom Price bid Format will be used instead of Standard BoQ template of GePNIC to avoid such issue.

All other Tender terms & conditions remain unchanged.
