Corrigendum for Cancellation and re-tender

Date-11.02.2025

Subject: Re-tender due to error in uploading BoQ

Reference : Tender ID: 2025_ONGC_224450_1 for “Repair & Fabrication Work in 04 Nos. 65 M3 capacity Trailer type Frac Tanks of WSS, ONGC, Ahmedabad”

This is for information to all bidders that inadvertently in Price Format/BOQ to be submitted in cover no 2 has mistake in calculation. The formula for calculation total amount for each line items is wrongly entered which is creating error in total calculation.

System is not allowing BOQ issued with corrigendums as BoQ provided with original bid is only allowed.

Hence, Tender will be re-created and published in GePNIC-CPPP portal after correction.
