Subject: Cancellation of Tender in CPPP-GePNIC with Tender ID: 2025_ONGC_231313_1

Dear Sir,

The tender for the work of "Rate Contract for civil maintenance of sheds, buildings and other utilities for a period of 3 years (2025-28) at Nhava" was published on CPPP_GePNIC today, with the sale date starting from 27.03.2025 and Tender ID: 2025_ONGC_231313_1. However, it has come to our attention that the documents uploaded were not password protected. To prevent any confusion or tampering in the future, the documents need to be password protected.

As per the guidance from the DISHA Helpdesk, we have two options to address this issue:

1. Issue a corrigendum with password-protected documents.
2. Cancel the current tender (Tender ID: 2025_ONGC_231313_1) and publish a fresh tender.

Since the sale of the current tender has not yet commenced, canceling the tender and issuing a new one seems to be the better option to avoid any potential confusion among bidders.

Approval from CPA (L-II i.e. HNSB for the present) is required to issue a corrigendum. Kindly approve the same.

Thanks and Regards!!!
