Corrigendum-8

Sub: Tender no. ZW7BS25003 for 'Procurement of spares for Cooper make flash gas compressors for Panna platform'

Ref:

The NIT was floated on GePNIC-CPP Portal on 08.08.2025, with the original bid submission closing date as 22.08.2025, in favor of the OEM, M/s Cooper Machinery Services Ltd., Austria GMBH, Vienna, for procurement of non-RC OEM spares of Cooper make flash gas compressors for the Panna Offshore Platform, B&S Asset.

The TBO for the subject tender was initially scheduled on 25.08.2025. The bidder subsequently sought extensions for bid submission up to 25.09.2025, and further to 15.10.2025, 31.10.2025, and finally up to 07.11.2025.

Thereafter, vide email dated 10.11.2025, the OEM bidder informed that they were facing issues in obtaining DSC for uploading their offer on the GePNIC-CPP Portal and requested permission to submit their offer through email against the subject tender already published on the Portal.

Considering the reasons and justifications provided by the OEM bidder, a proposal was submitted for kind approval of ED-CPO to accept the offer through email (followed by a confirmatory hard copy).

Following CPA's approval on 10.11.2025, the bidder, M/s Cooper Machinery Services Austria GmbH, was informed to submit their offer via email. The email offer was received on 17.11.2025, and the hard copy was received on 01.12.2025.

Accordingly, the subject tender shall be further processed based on the received offer, and the tender floated in GePNIC-CPP Portal may be considered closed and accordingly, action will be taken for closing/cancellation of the tender.
