As per the status of the techno-commercial status of the bids as tabulated at para 3 above, only one bidder is TACA out of 4.

Relevant Para 13.2.4 viii) of SCM Manual is quoted below:

Quote:

Single Offer Situations: Placement of order when one offer is received or Techno Commercial evaluation ends up with only one TACA offer (at the overall tender level as a whole).

If after inviting Open/Limited tenders, only one offer is received against the tender or Techno Commercial evaluation ends up with only one TACA offer (after approval of CPA), the order may be placed on the bidder provided following conditions are satisfied:

- a) The procurement was satisfactorily advertised and sufficient time was given for submission of bids.
- b) The qualification criteria were not unduly restrictive; and
- c) Prices are reasonable in comparison to market values or if the requirement is

However in such cases, Competent Purchase Authority shall be as prescribed in BDP for nomination cases under item No. 24.1(c), (d),(e) or (h) depending upon nature of procurement. In case of price not being reasonable, negotiations or retender may be considered as justifiable. Aforesaid cases will not come under the ambit of reporting mechanism prescribed for nomination cases.

Mere receipt of single offer, after inviting open / limited tender, should itself not be a ground for not finalizing the tender and efforts should be made to finalize the tender on merits, if rates are reasonable or if requirement is urgent. In case of single offer situation, the Procurement Evaluation Committee shall need to be constituted at appropriate level in relation to the level of revised CPA. The Procurement Evaluation Committee shall deliberate and give the required confirmation that conditions as per (i), (ii) and (iii) above are satisfied.

Further, when Techno-commercial evaluation ends up with only one technically acceptable offer (at the overall tender level as a whole) the concerned Tender Processing Group should seek the specific reasons from the same authority who had approved technical BEC and Tender Processing Group/ PEC shall deliberate (wherever applicable) on the issue before submitting the proposal for approval.

Unquote:

Due to the emergence of single offer situation for the instant case, further procedure after PBO shall be according to para 13.2.4 viii) of SCM Manual. The Procurement Evaluation Committee shall be constituted at appropriate level in relation to the level of revised CPA to deliberate the case after PBO.

The instant proposal pertains to shortlisting and opening the price-bid of the techno-commercially acceptable (TACA) bidder.
