Dear Sir,

We have reviewed this case internally and, as per the confirmation received, the air compressor is installed on the vessel and forms part of its machinery or operational systems; hence, it is not classified as a standalone equipment.

We are okay to proceed with the applicable IGST rate of 5%, as the job is related to the repair of equipment on ships and vessels.

Requesting to kindly proceed accordingly.

Dear Sir,

Point find our comments as below:

A declaration from ONGC confirming that the air compressor is installed on the vessel, forms part of its machinery or operational systems and is not classified as a stand-alone equipment, so that the concessional rate may be applied.

Response: We confirm that the 3 nos. of air compressors referred to in the subject Tender are installed on the vessel and are a part of its machinery/operational systems, so that the concessional rate may be applied.

It is further recommended that IR may commercially agree with ONGC that ONGC will bear any differential GST, interest or penalty in the event it is subsequently determined that the services do not qualify as MRO or that the air compressor is treated as a stand-alone equipment.

Response: Confirmation in this regard cannot be provided.

Thanks and regards,

Dear Sir,

Greetings from Ingersoll Rand!!

We have taken up this case with finance and with reference to our internal discussion below details and documents are required-

- A declaration from ONGC confirming that the air compressor is installed on the vessel, forms part of its machinery or operational systems and is not classified as a stand-alone equipment, so that the concessional rate may be applied. It is further recommended that IR may commercially agree with ONGC **that ONGC will bear any differential GST, interest or penalty in the event it is subsequently determined that the services do not qualify as MRO or that the air compressor is treated as a stand-alone equipment.**

Requesting to kindly help with the required details. Let us know incase of any further information required.

Sub: **BIDDING DOCUMENTS**

Ref: **TENDER No. PD1FS25019**

ONGC and the Bidder agree that the Notice Inviting Tenders (NIT) is an offer made on the condition that the Bid would be kept open in its original form without variation or modification for a period of **60 Days** (state the number of days from the last date for the receipt of tenders stated in the NIT) days AND THE MAKING OF THE BID SHALL BE REGARDED AS AN UNCONDITIONAL AND ABSOLUTE ACCEPTANCE of this condition of the NIT. They further agree that the contract consisting of the above conditions of NIT as the offer and the submission of Bid as the Acceptance shall be separate and distinct from the contract which will come into existence when bid is finally accepted by ONGC. The consideration for this separate initial contract preceding the main contract is that ONGC is not agreeable to sell the NIT to the Bidder and to consider the bid to be made except on the condition that the bid shall be kept open **for 60** (so many) days after the last date fixed for the receipt of the bids and the Bidder desires to make a bid on this condition and after entering into this separate initial contract with ONGC. ONGC promises to consider the bid on this condition, and the Bidder agrees to keep the bid open for the required period. These reciprocal promises form the consideration for this separate initial contract between the parties.

If Bidder fails to honour the above terms and conditions, ONGC shall have unqualified, absolute and unfettered right to encash/forfeit the bid security submitted in this behalf.

Yours faithfully
