

Note # 39

The technical evaluation of the NIT for the **General Car Rental Facility at Pantnagar Airport** was conducted by the duly constituted evaluation committee, following the issuance of the first shortfall notice on **03/03/2026**.

Upon detailed examination and scrutiny, it has been observed that all bidders have submitted the requisite documents addressing the deficiencies highlighted in the shortfall notice. Based on the submissions received, the committee has determined that the documents furnished by all bidders meet the criteria and requirements specified in the NIT. Accordingly, all bidders are considered **technically qualified** to participate in the financial bid stage.

A [comparative statement](#) reflecting the submissions received after the first shortfall notice, and duly signed by the designated committee members, is attached herewith for reference.

As per Commercial Manual, 2025 Clause 7.4.1(vii):

Opening and Evaluation of Financial bids of technically qualified bidders: - Finance Bids shall be opened after approval of NIT Approving Authority for further process of the Tender action and approval of the Competent Authority.

Approval of the **competent authority** is hereby requested to proceed with the opening of financial bids on **10/03/2026** by the designated committee members. The committee members are duly mapped with their **Digital Signature Certificates (DSC)** on the CPP Portal, in accordance with the procedures followed at the time of tender publication.
