Please refer note no. #95.

Accordingly, the shortfall documents were sought from both the bidders thru CPP portal till 28.08.2026 upto 1500 hrs. On opening of CPP portal at 1500 hrs on 28.08.2026, it is found that both the bidders have submitted the shortfall documents. The same were downloaded from the portal (at [page 466-515](#) of ToC).

Subsequently, the shortfall documents have been scrutinized & the scrutiny sheet (Annexure-'A') has been prepared for both the bidders (at [page 516-517](#) of ToC).

It is found that both the bidders are qualifying the technical evaluation (Envelope-I) as per PQ criteria of NIT.

However, as per critical data sheet of NIT, the tentative date for opening of Financial Bid (Envelope-II) was 27.08.2026 at 1500 hrs (at [page 521](#) of ToC).

It is added that the scrutiny of Technical Bid (Envelope-I) involved extension of date twice for seeking shortfall documents from both the bidders and thereafter, some time is required for technical evaluation of shortfall documents submitted by both the bidders.

In view of above, it is proposed that the date for opening of Financial Bid (Envelope-II) of both the bidders may be changed to 02.09.2026 at 1500 hrs thru CPP portal.

Submitted for approval please.
