

NIT no.: E NIT_CWC/CO/Engg. /26-27/19 dated 25.06.2026

Name of Work: Supply, Installation, Testing, Commissioning (SITC) of 400 CFM Electric screw Air Compressor, 250 KVA DG Set and welding generator.

Name of Bidder	Remarks
(1/2) ENDEAVOUR POWER SERVICES	Dis-Qualified. As per the documents submitted, the bidder is neither the OEM nor an OEM-authorized channel partner for the offered model. Instead, the bidder has been identified only as a reseller, with the warranty and guarantee obligations remaining outside the bidder's scope. Further, the bidder has submitted a conditional authorization letter from the OEM that does not comply the warranty condition. Since the submitted documents do not comply with the tender requirement and in contradiction of warranty condition prescribed in the tender, bid is considered non-responsive.
(2/2) Dev Engineers	Qualified.
