5.	Swanip Infracon Pvt. Ltd.	<i>Commercially Acceptable</i>	<i>Technically Acceptable</i>
6.	Zind Baba Enterprises	Commercially Not Acceptable	Technically Not Acceptable

2. Brief reason for the bids which are techno-commercially not acceptable is as below:
 - 1) **Shree Shyam Construction:** The bidder has not submitted any documents pertaining to the Financial BEC, including Form F-10 and copies of audited financial reports. Therefore, the bidder is commercially not acceptable.
 - 2) **Shree Vaibhavlakshami:** For compliance of SCC clause 23, bidder has neither submitted the required presentation and 2D/3D model files along with the unpriced bid nor provided any confirmation of clause 23 of SCC or clarification regarding the same. Query was raised to the bidder regarding this however bidder has not submitted any response. Therefore, due to non-compliance of SCC, the bid is technically not acceptable.
 - 3) **Zind Baba Enterprises:** For compliance of SCC clause 23, bidder has neither submitted the required presentation and 2D/3D model files along with the unpriced bid nor provided any confirmation of clause 23 of SCC or clarification regarding the same. Additionally, bidder has not submitted signed SCC and SOW as acceptance.
Further, F-10 and Audited reports for FY 2024-25 have not been submitted by the bidder to derive working capital. Hence bidder does not qualify financial BEC. Clarification was sought to the bidder regarding above shortfall documents however bidder has not responded to that.
In view of the above, bidder is techno-commercially not acceptable due to non-compliance of Financial BEC & SCC.
