2. Brief reason for rejection of the bid: **M/s Spacegrid Infrastructure Private Limited**

Bidder has not submitted form F-10 (Bidder's Financial Capability). Bidder's firm is established on 06.02.2026 (in FY 25-26), therefore bidder was required to submit F-9 (Letter of Credit) issued by bank for working capital as per Note-(ii) under Clause E of Section-II of the tender document. However, bidder has not provided. Due to non-submission of financial documents against financial BEC, bidder does not qualify BEC. Hence bid is commercially not acceptable.
