OPENING OF TENDER FOR DRY-DOCK REPAIR OF CSD YAMUNA FOR
ASSESSMENT OF THE COMPLETE HULL THROUGH ULTRASONIC THICKNESS
GAUGING FOR THE F.Y.2026-27**

An online e-tender was published on the IWAI website and e-procurement portal on 20.05.2026 for undertaking dry-dock repair of CSD *Yamuna* for assessment of the complete hull, including submerged portions, through ultrasonic thickness gauging to determine the technical and economic feasibility of repair or condemnation of the vessel.

The last date and time for online submission of bids was 01.06.2026 up to 13:00 hrs. The technical bids were opened on 02.06.2026 at 14:00 hrs by the Regional Office-level Tender Evaluation Committee (TEC).

Upon opening of the technical bids, it was observed that only one bidder, ***M/s Ghosh Enterprises, Howrah***, had submitted its bid within the stipulated date and time. The TEC scrutinized and evaluated the documents submitted by the bidder and found that the firm has furnished all requisite documents as prescribed in the Notice Inviting Tender (NIT) and meets the eligibility criteria. Accordingly, the bidder is declared ***technically qualified***.

Considering the urgency of the work and the necessity of completing the assessment of the vessel within the stipulated timeframe, the TEC recommends that the case may be forwarded to Headquarters for obtaining approval of the competent authority and for taking further necessary action in the tender process, so as to avoid any delay in execution of the work.

It is further submitted that, as per Sl. No. 5, Part-IV of the Delegation of Powers (DoP), ***Member (Technical), IWAI, Noida*** is the competent authority for acceptance of a single bid for projects costing up to ***Rs. 2.00 crore*** per project. In this regard, the TEC recommended forwarding the proposal to Headquarters for consideration and approval of the competent authority for further processing the single bid received in the subject tender. Accordingly, approval of the competent authority has been obtained from Headquarters, Noida vide E-Comp No. 343301 dated 08.06.2026 for further processing of the tender including opening of financial bid and evaluation.

Hence, TEC recommends to open the financial bid for the single technically qualified bidder i.e. M/s Ghosh Enterprise, Howrah.
