Tenders for the above works were invited as a package-02 by the Executive Engineer , NH division, Hassan vide Notification No: EE/NHD/HSN/AE-1/SDMF/Pkg1 & 2/NIT8/2025-26/1582, Date: 27-02-2026 through CPP portal <https://eprocure.gov.in>.

The calendar of events were as here under.

1. Last Date & Time for Clarifications/queries : 05-03-2026 upto 15.00 Hrs
2. Last Date& Time of Receipt of tenders : 20-03-2026 upto 16.00 Hrs
3. Date & Time of opening of Technical bid : 23-03-2026 at 16.00 Hrs.

Accordingly, the Executive Engineer,National Highway Division,Hassan has opened the received bids for the instant package on 23.03.2026 and reported that the below mentioned only one(1) bidder had participated, i.e,

M/s AECS Engineering & Geotechnical Services Private Limited, Noida.

The bidder has submitted the original copies of EMD (BG/FDR), DD, LOC and within the stipulated date and time of opening of tender as specified in the Notice Inviting tender. Bidder's documents were downloaded and considered for evaluation and submitted for approval through proper channel.

Hence,the meeting of the Technical Bid Evaluation comprising the following members is convened on 01.04.2026 in the chambers of the CE, N.H, Bangalore, to evaluate the technical bids received for the above said work.

1	Chief Engineer, NH Bangalore	Chairman.
2	Superintending Engineer (Designs)NH Bangalore	Member.
3	Superintending Engineer, NHC Bangalore	Member
4	Deputy Chief Engineer NH Bangalore	Member
5	Chief Accounts Officer , NH Bangalore	Member
6	Executive Engineer, National Highway Division, Hassan	Member Secretary.

The technical bid documents substantiating the qualification criteria indicated in the KW-4 was verified and the Committee has resolved the qualification criteria's of bidders as under:

M/s AECS Engineering & Geotechnical Services Private Limited, Noida.

The agency has uploaded the required Bid security, Bid capacity, work done certificate and turnover for 5 years, original EMD submitted on time. As per Qualification criteria of the tenderer, the technical bid of the bidder is considered as responsive.

The Superintending Engineer, National Highways Circle, Bengaluru vide letter no:SE/NHC/BNG/TA/JE-2/SDMF/Pkg-2/Tech Bid/2025-26/3144-145 dated:31.03.2026 has stated that it is pertinent to note that the project stretch lies in a high rainfall zone of the Western Ghats passing through steep, undulating terrain with sharp curves and limited Sight Distance, making driving vehicles is challenging. The Ghat experiences intense and prolonged monsoon leading to frequent landslides, slope failures and road blockages. Due to difficult geometry of the road and weather conditions, accidents are very common in this region. The heavy rainfall significantly restricts the working period.

Further, it is submitted that the Deputy Commissioner, Hassan, vide under letter No: CAL.CR.01/2025-26, Dated:20.02.2026 has intimated that the Principal Secretary (Disaster Management) has expressed dissatisfaction regarding the progress achieved during the meeting held on 13.02.2026. Accordingly, directions have been issued to expedite the works and achieve the stipulated physical progress. In this regard, weekly review meetings are being conducted under the chairmanship of the Deputy Commissioner, Hassan, wherein instructions are being issued to commence the works immediately and ensure their completion before the onset of monsoon.

Further as per MoRTH Circular No:RW/NH-33044/25/2024-S&R(P&B) Dated:28.08.2024 regarding Acceptance of Single Bid for National Highways stated that "Single Bid is valid if the tender was properly advertised, time given for submission of bids was sufficient, qualification criteria were not unduly restrictive and the prices are reasonable in comparison to market values. Acceptance of Single tender shall be recommended by the Evaluation committee after recording confirmation of the above mentioned conditions".

In view of the above,

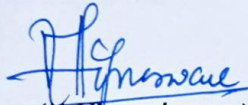

COMMITTEE CONCLUSION:-

Since the land slides had occurred in the previous years during the monsoon season in the project stretch, hence the District Administration has requested to complete the work before Monsoon starts and if the work is Re-tendered, then it is not possible to complete the work before the heavy rainfall occurs. Considering the above points, Committee has decided to approve the Single tender.

As the bids submitted by the **M/s AECS Engineering & Geotechnical Services Private Limited, Noida** are in line with the uploaded bid documents the Technical Bid Evaluation Committee considered the bidder as Technically responsive .

Considering the urgency of the work due to the above mentioned factors, Instructions were issued to the Executive Engineer, National Highway Division, Hassan to open the financial bids of the responsive bidder as per the departmental procedures.

Meeting concluded with Thanks.
