- i) M. C. Enterprise and
- ii) MS Ratan Engineering Co.

Following 3 (Three) Bidders were declared as "Responsive & Technically Qualified" bidders namely:

- d. Millenium Road Construction Pvt Ltd dated 04.06.2026 for not reconsidering the bid by MC Enterprises as it was earlier rejected by tender evaluation committee.
- e. C R Sen dated 04.06.2026 regarding adherence to RFP terms and evaluation integrity.
8. The aforesaid objection letters from bidders were placed to the Evaluation Committee. After due consideration of the contents of objections received from bidders and after detailed discussion on the matter vis a vis tender stipulations , Broad findings of evaluation at the 2nd Meeting is as follows:
9. In respect of bidder M C Enterprise – M C Enterprises had earlier submitted valid bank draft as Bid Security with validity of 3-months. The provision exists in Tender RFP for submission of Demand Draft as bid security (Cl- 9 of NIT) and now concern bank has intimated that the same can be extended for a period of another 3- month on request of bidder/authority. So bid security submitted may be treated as valid document. In regards to credential, the bidder's contention that the physical and financial progress match with each other and work has already completed hence may be accepted.
10. In respect of M/S Ratan Engineering Co -- The committee deliberated that his bank Draft submitted earlier as bid security may be treated as valid but his credential submitted is not of similar nature of work, so his request for considering his bid as responsive may not be entertained.
11. The objection by Millenium Road Construction Pvt. Ltd, Roads (India) International & C R Sen, regarding their contention for not reconsidering the bid of MC Enterprises and adherence to RFP terms and evaluation integrity is rejected, as the tender Evaluation Committee in conformity of clause 23.5, of ITB Section – II, E of RFP, can consider the objection by the bidder and can act accordingly and there is no question of violating RFP terms and evaluation integrity.
12. Based on the detailed evaluation, the Evaluation Committee recommends the following 1 (One) bidders as "Non-Responsive" bidders, namely:
- i) MS Ratan Engineering Co.
- Following 4 (Four) Bidders are now declared as "Responsive & Technically Qualified" bidders namely:
- i) C.R.SEN
ii) Millenium Road Construction Pvt. Ltd
iii) Roads(India) International
iv) M.C. Enterprise.
13. In view of the above, the Evaluation Committee recommends revocation of technical bid and now to qualify above named bidder as responsive. The Committee requested Sr. Superintending Engineer, NH Circle- III for opening of Financial Bid of the above "Responsive & Technically Qualified" bidders at the earliest after online publication of results of technical evaluation.
