2. Tender was invited by Chief Engineer, PWD, Highway, Aizawl, Mizoram vide NIT No. 20/PBMC/CE-HW/2025-26 Dt.17.03.2026 and pre-bid meeting was held at Chief Engineer, Highways, PWD office, Aizawl, Mizoram on 07.04.2026 but only representative from Nidhi Creative Infrastructure Pvt Ltd. attended the pre-bid meeting. The technical bid was opened on 07.05.2026. A total of 5(five) bids were received online from the following bidders.

Sl. No.	Name of the Bidder
1	Nidhi Creative Infrastructure Pvt. Ltd., Ambicapatty, Silchar-788004, Assam.
2	SLT Infracon Pvt. Ltd., Badarpurghat, Hailakandi-788803, Assam.
3	RSM Infra Projects - Zeliezhu & Sons, Joint Venture
4	M/s. Chittaranjan Saha & Others, Palatana Tripura, Gomati, Tripura - 799116
5	Satya Sundar Das, Subhash Park, Khowai, Tripura - 799205

3. Out of 5 bidders, Tender Evaluation committee in its meeting dated 05.06.2026 has declared 2 bidders to be technically responsive viz. SLT Infracon Pvt. Ltd, RSM Infra Projects-Zeliezhu & Sons, JV.

4. In the intervening period, a representation was received from bidder viz. Nidhi Creative Infrastructure Pvt. Ltd. regarding physical submission of POA, MMU and quoted clause 18.4 of RFP regarding DSC.

5. The representation has been examined by the committee and following has been brought out:

- i. The bidder viz. Nidhi Creative Infrastructure Pvt. Ltd. has submitted that it has submitted the original POA before the bid due date and due to an inadvertent oversight the same could not be scanned and uploaded along with the tender documents on the e-procurement portal. In this regard, it may be mentioned that the bidder has not submitted POA in the uploaded bid document which is not as per clause 18.1 and clause 22.2 of the RFP due to which the bidder is to be considered as non-responsive.

- ii. The bidder has submitted that it has furnished all the documents required under section-2 (Appendix to ITB) of RFP in respect of the required equipment/machinery particularly MMU including the relevant supporting invoices and documentary evidence and claimed that certain bidders have not submitted complete invoices and supporting documents pertaining to MMU. In this regard, the committee has verified the documentary evidence of all the equipment furnished by bidders. The committee found that certain deficiencies were found with respect to the equipment in all the bidders as per the stipulations pertaining to the equipment mentioned in the RFP. With respect to MMU with necessary equipment, RSM Infra Projects - Zeliezhu & Sons has submitted an undertaking for deployment of necessary equipment in MMU and SLT Infracon Pvt. Ltd., has also submitted an undertaking for deployment of necessary equipment wherein certain items were mentioned to be procured. However, as per Section-2 (Appendix to ITB), [(4.1 j (1))], Name of Equipment Note, it is clearly mentioned that "The bidder must upload scanned copy of the documentary evidence in support of his owning/ leased/rented of the above equipment along with fitness certificates. In case the bidder proposes to hire or take the above equipment on lease, he should, along with the lease/rent agreement, attach the proof of ownership of this equipment with the company/entity from whom the equipment are proposed to be hired on lease/rent. Any conditional evidence of deployment of above equipment or inadequate proof as required for any of the equipment shall make the bid non-responsive and financial bid shall not be opened". In this regard both the above-mentioned bidders are to be considered non-responsive.
- iii. The bidder has quoted clause 18.4 of RFP which stipulates that *"DSC should be in the name of the authorized signatory as authorized in Appendix III of this RFP or person executing/delegating such Appendix III in favour of Authorized Signatory. It should be in corporate capacity (that is in Bidder capacity / in case of JV in the Lead Member capacity, as applicable). The Bidder shall submit document in support of class III DSC. In other cases, the bid shall be considered non-responsive"*. The same has been verified with all the responsive bidders with respect to POA submitted and the authorized signatory details submitted in details of bidders and in CPPP portal. It has been found for all the responsive bidders that the Authorized signatory submitted in details of bidders, POA and CPPP portal is same. However, it is also found that in case of SLT Infracon Pvt. Ltd the bidder has submitted the document in support of class III DSC (Pg. No.44). In case of RSM Infra Projects-Zeliezhu& Sons, JV the lead partner viz. RSM Infra Projects has not submitted any document in support of class III DSC, only the other member has submitted the same at (pg. no.928) of the bid document. In this regard, RSM Infra Projects-Zeliezhu & Sons is to be considered non-responsive.

6. Based on the above deliberations, since no bidders were found technically responsive, the committee opined for cancelling the tender process and call for retender. Further it was opined that, since considerable time has lost in the tendering process, the tender may be recalled with 4 weeks' time of tender period as per Rule 161 (vi) of GFR.
