

Minutes of the 3rd meeting of Evaluation Committee held on 08.07.2026 at 05:00 PM for evaluation of Technical Bids for the work of "Strengthening and Improvements from Km. 309.960 to Km 336.700 (Hosahalli to Yellapur)& Km. 382.700 to Km. 400.700 of NH-52 (Mastikatta to Baleguli) in the State of Karnataka in EPCmode under NH(O) Annual Plan 2025-26. [Job No.NH-52-KNT-2025-26-02]

1st meeting of the Evaluation Committee was held on 19.05.2026 for opening of bids for the subject work. Total 11 bids were received on CPP portal from the following bidders:

Sr.No.	Name of the Bidder
01	M/S. Bannur Infrastructure Pvt Ltd
02	Shri. Sadashiva Bennalli
03	M/S. S R Ballary Private Limited
04	Shri. N B Hiremath
05	M/S. Anand constructions
06	M/S. H P Madhukar & Co
07	Shri. B N Naganagoudar Contractors
08	M/S. K V R Constructions Heights Pvt Ltd
09	M/S. G N Constructions Company
10	M/S. D P Jain and Co Infrastructure Pvt Ltd
11	M/S. V S Enterprises

2. 2nd meeting of the Evaluation Committee was held on 23.06.2026 through VC for evaluation of bids. After detailed deliberation, 04 bids were found technically responsive and 07 bids were found technically non-responsive. The Evaluation Committee recommended to upload the results on the CPP portal by giving 7 days' time to the bidders to respond, if there is any objection on technical results as per RFP clause 2.19. The Technical evaluation was uploaded in CPP portal on 25.06.2026.

3. In response to the published technical results on CPP Portal, 01 bidder M/s Sadashiv S Bennalli, submitted their representation regarding technical evaluation on 29.06.2026 i.e. within 7 days from uploading of result. The bidder was declared non responsive in the original evaluation.

4. Thereafter, 3rd meeting of the Evaluation Committee was held on 08.07.2026 at 05:00PM to deliberate regarding the representation received from the bidder.

8/7/26

4.1 The Committee took up for consideration the representation dated 29.06.2026 (Annexure-1) submitted by the bidder M/s Sadashiv S Bennalli (Bid ID 3405302) against the finding of non-responsiveness recorded in respect of bid of subject work, wherein the bidder has contended that all requisite documents stood uploaded on the CPP Portal before bid due date and that the non-availability of certain documents, if any, is attributable to a technical fault in the portal for which he has approached the CPPP support team.

4.2 The Committee, in the interest of natural justice and to afford the bidder a fair opportunity, permitted him to appear in person on 01.07.2026 at the O/o Member Secretary and to demonstrate the uploaded documents by logging in through his own DSC key, on which occasion the bidder attended but was unable to establish that the documents in question—namely the Statement of Legal Capacity, Power of Attorney, CA Certification for Class-I Local Supplier, Details of Ongoing Works and the Integrity Pact—had in fact been uploaded, and to this effect a written statement duly signed by the bidder's authorized representative has been placed on record(annexure-2).

4.3 On examination, the Committee again observed that the technical documents received in the bidder's bid did not contain the aforesaid five documents, and that the said documents, being necessary for a determination of responsiveness, were thus not available on record as on the bid due date and time. It was further noted that no communication has been received from the CPPP/NIC authorities till date confirming or even indicating any technical failure at the portal end, and that the bidder has been unable to substantiate his claim through any cogent material.

4.4 In view of the foregoing, and the responsiveness of a bid being liable to be determined solely with reference to the documents received as on the bid due date and time, the Committee is of the considered opinion that the representation is devoid of merit. The representation dated 29.06.2026 is accordingly rejected, the earlier finding of non-responsiveness of the bidder is confirmed.

5. Another bidder, M/s. S. R. Ballary Private Limited Bennalli submitted its representation vide email dated 07.07.2026, i.e. after 07 days stipulation period from technical result uploading date as per clause 2.19 of RFP. The bidder was declared non responsive in the original evaluation.

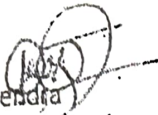

5.1 Since the responsiveness of a bid is required to be determined solely on the basis of the documents received on or before the bid due date and time or representation received within 07 days of technical result circulation vide CPP portal, the Committee

is of the considered opinion that the representation lacks merit. Accordingly, the representation dated 07.07.2026 is not considered, and the earlier decision declaring the bidder as non-responsive stands unchanged.

6. The representation received in respect of technical evaluation stands disposed. The committee decided to open the financial bids of 04 responsive bidders.

7. The Meeting ended with vote of thanks to the Chair.
