SECTION -II (INFORMATION TO BIDDERS)

Name of Work: Supply, Installation, Testing, Commissioning, Operation & Maintenance of Centralized Control & Monitoring System (CCMS) for Highway Lighting on National Highways under R&B NH Wing, ANDHRA PRADESH on Five (05) Year Contract Basis.

Introduction: -

Bids are invited from firms having a minimum of three (03) years' experience in supply, installation, testing, commissioning, operation and maintenance of Centralized Control & Monitoring Systems (CCMS) for Highway/Street Lighting on National Highways/ State highways/ urban roads/municipal corporations, or other government infrastructure projects

Experience certificates shall be issued by Central / State Government departments, Public Sector Undertakings (PSUs), or Municipal Corporations

Note:

1. In case of nominated sub-contractor, a certificate from the Executive Engineer or equivalent of the Prime Employer should be obtained from whom an approval for subcontractor has been obtained.

• Scope of Work: -

The scope of work shall include:

- a. Supply of **Centralized Control & Monitoring System (CCMS) feeder panels** conforming to the technical specifications provided in **Section-IV (Technical Specifications)**, including hardware, energy meters, communication modules, enclosure, stand, and all associated accessories.
- b. Installation, testing, and commissioning of CCMS feeder panels at designated switching points along National Highways, service roads, and slip roads.
- c. Operation of the CCMS for **automated and remote ON/OFF control** of Highway Lighting based on astronomical (sunrise/sunset) timings and central control commands.
- d. Preventive and breakdown maintenance of CCMS hardware, communication systems, and web-based central monitoring software for the entire contract period.
- e. Supply, replacement, and upkeep of all consumables and accessories including SIM cards/data connectivity, batteries, relays, protection devices, and other replaceable components required for uninterrupted CCMS operation.
- f. Training of operators and MORTH/Authority personnel for operation, monitoring, report generation, and basic troubleshooting of the CCMS.
- g. Continuous monitoring, logging, and reporting of electrical parameters, energy consumption, system performance, faults, and alerts in compliance with applicable energy efficiency and safety standards.

h. Deployment and integration of the CCMS on National Highways including GIS-based mapping and centralized supervision.

• **Information about Bidding: -**

3.1	Address of the Authority for correspondence	Superintending Engineer (R&B) NH Circle Vijayawada 5 th floor HOD Buildings Vijayawada E-mail: senhrb.vja@gmail.com

3.3	Earnest Money Deposit/Bid Security	Bid security amounting to (5) Five Lakh in the form of Demand Draft / Bank Guarantee in favour of Executive Engineer (R&B) NH Division Vijayawada payable at Vijayawada.
3.4	Performance Security	Equivalent to 10 % of Contract Price in the form of Bank Guarantee (on approved format)/Demand Draft, in favour of Executive Engineer (R&B) NH Division Vijayawada, Vijayawada payable at Vijayawada after issuance of Letter of Acceptance (LOA).
3.5	Last Time and date of submission of Bid	17.07.2026 Up to 15:00 Hrs
3.6	Time and date of opening of Technical Bid	18.07.2026 at 15:00 Hrs
3.7	Duration of Contract	60 months (05Years), which may be extended/curtailed by the Authority based on performance & mutual consent.
3.8	Cost of Bid	The Bidders shall pay online and submit a payment receipt for Rs 11,800/- (Rupees Eleven Thousand eight hundred only) towards Cost of Bid Document can be paid through Bharat Kosh Portal and receipt must be submitted with the proposal. (Ministry Code-024, DDO Code- 206489, PAO Code-002193, Function Head - 105400501010000) Object code -00, Category -1 in favour of Regional pay and Accounts officer , Hyderabad.

• **Method of Bidding:-**

4.1 The bidder shall upload following documents: -

- a) The Proof of online payment for Tender Fee.
- b) Proof of Bid Security.
- c) Power of Attorney for signing the bid.

- d) Joint bidding Agreement for JV, if any.
- e) All documents in proof of Eligibility criteria, Annexures as mentioned in RFP.
- f) Experience certificates must be issued by the **Central / State Government, PSU, or Municipal Corporation.**

4.2 Additional information/ Guideline: -

- a) Bidders shall upload copies of all documents listed above while submitting the bid online.
- b) Technical & Financial evaluation of bid and declaration of result shall be done based on the documents received online after confirmation of Tender Cost in MORTH Regional Office/RPAO, Vijayawada's account.
- c) Bidders shall be asked to submit originals of all documents listed above after declaration of bid evaluation result by Authority.
- d) All the Bidders (including individual or any of its Joint Venture Members) failing to submit the original documents required as per 4.1 above shall be unconditionally debarred from bidding in MORTH projects for a period of 1 year.

5 In case L-1 Bidder fails to submit the originals as per para 4.1, the bidding process shall be annulled and tenders shall be re-invited.

6 Authorized Signatory holding Power of Attorney or person executing/delegating such Power of Attorney shall only be the Digital Signatory. In other cases, the BID shall be considered **non - responsive**

7. Eligibility Criteria: -

- a) The Bidder shall be a Contractor engaged in the supply, installation, commissioning, operation and maintenance of **Centralized Control & Monitoring Systems (CCMS) for Street light work**, and shall have valid ownership/authorization for the proposed CCMS hardware and software.
- b) The Bidder shall have a minimum experience of three (03) years in execution, operation and maintenance of CCMS for Street Lighting on National Highways/ State highways/ urban roads/municipal corporations, or other government infrastructure projects".
- c) The Bidder shall have an average annual turnover of not less than ₹2.00 Crores during the last three (03) financial years.
- d) Experience certificates in support of the above experience shall be attached with the Bid documents and shall be issued by **Central / State Government Departments, PSUs, or Municipal Corporations.**

8. Earnest Money Deposit (EMD)/ BID Security: -

The Bidder shall furnish, as part of the bid, an **Earnest Money Deposit (EMD) / Bid Security** of the amount specified in the RFP document. The EMD / Bid Security shall be submitted in the form of a **Demand Draft / Bank Guarantee**, drawn in favour of **Executive Engineer (R&B) NH Division Vijayawada, Vijayawada, payable at Vijayawada**, or through any other mode as permitted on the e-tendering portal.

Any bid not accompanied by an acceptable EMD / Bid Security shall be treated as **non-responsive** and shall be rejected by MORTH/Tender inviting Authority. The

EMD / Bid Security of unsuccessful bidders shall be returned as per applicable rules.

9. Bid Validity: -

The bids shall be valid for 120 days from the date of opening as prescribed in 3.6 above.

10 Bid Submission: -

The bidder shall be submitting Technical & Financial proposal/bid only in the online e-portal (<https://eprocure.gov.in>) in accordance to the bidding document.

11 Bid opening

The technical bids will be opened in the presence of bidder or their authorized representative, who wish to be present at the time of opening of bid, on due date. After scrutiny and evaluation of technical bids, MORTH/Tender inviting Authority shall inform those who are eligible for opening of financial bid and dates of opening of financial bid shall be intimated later only in e-portal (<https://eprocure.gov.in>) to those bidders fulfilling the eligibility criteria and whose bids are considered responsive by the committee.

12 Performance Security: -

The successful bidder will be required to submit the performance security for an amount specified in 3.4 in the form of Bank Guarantee (B.G.)/ Demand Draft in favour of Executive Engineer (R&B) NH Division Vijayawada, within 7 days of issue of letter of acceptance (LOA). The performance security shall be refunded after successful completion of contract.

13 Award and signing of Contract: -

Tender inviting Authority shall issue Letter of Acceptance to the lowest bidder, whose Technical and Financial bid have been found technically and financially acceptable. The successful bidder shall then submit performance security within 7 days and execute the Agreement with Superintending Engineer (R&B) NH circle Vijayawada, on non-judicial stamp paper of Rs.100/- (Rs. One Hundred Only).

14 Right to vary quantities: -

MORTH reserves the right, at any time during the contract period, to increase or decrease the number of CCMS feeder panels / locations / units to be supplied, installed, operated and maintained, as per the actual requirement of services, without any change in the agreed rate(s), terms and conditions of the Contract.

15 Right to reject any or all the quotations: -

MORTH reserves right to reject any or all the bids without assigning any reason and no claim of whatsoever nature will be entertained for such act.

SECTION-III (TERMS & CONDITIONS)

1. The **Bidder/Contractor** shall have valid registration with the **GST Department** on the last date of submission of the Bid.
2. The **Bidder** shall own or have valid authorization/arrangement for the supply, installation, operation and maintenance of **Centralized Control & Monitoring System (CCMS) feeder panels**, including hardware, software, communication modules, and accessories conforming to the technical specifications prescribed in the RFP. Documentary proof of ownership/authorization shall be uploaded with the Bid.
3. All **CCMS feeder panels, controllers, energy meters and associated equipment** proposed under the Bid shall be new, unused, and of latest manufacture, and shall be in sound working condition at the time of installation.
4. In case any CCMS equipment, software platform, or communication service is provided through third-party arrangements, **valid authorization agreements / MOUs / licenses**, duly signed and legally valid, shall be submitted along with the Bid. Systems without valid authorization documents shall not be considered.
5. All **CCMS feeder panels and associated equipment** shall be **comprehensively insured**, wherever applicable, from a valid Insurance Company. The insurance shall be kept valid by the Contractor at its own cost during the entire contract period.
6. **MORTH/Authority** shall not be responsible for any damage, theft, accident, cyber incident, data loss, or third-party claims arising during installation, operation, or maintenance of the CCMS. The entire liability shall rest with the Contractor.
7. The Bidder shall quote rates **inclusive of all costs**, including but not limited to supply, installation, testing, commissioning, operation, monitoring, maintenance, software licenses, server/cloud charges, SIM cards/data connectivity, batteries, spare parts, consumables, insurance, and all other incidental charges **except GST**. The CCMS shall be operated and maintained on a **24×7 basis throughout the year**, as per MORTH's operational requirements.
8. The **scope/number of CCMS feeder panels/locations** may be increased or decreased by **MORTH/Authority** based on actual requirements. The variation shall be payable accordingly as per quoted rate.
9. The Contractor shall deploy **qualified, trained, and experienced technical personnel** for installation, operation, monitoring, and maintenance of the CCMS. All personnel shall follow prescribed safety norms. Any cost related thereto shall be deemed included in the quoted rates.
10. In case of **failure, malfunction, communication breakdown, or non-availability of any CCMS feeder panel or software service**, the Contractor shall restore the system with maximum period of **48 hours** from the time of reporting/intimation. Failure to restore services within the stipulated time shall attract penalties of **₹5,000/- (Rupees Five Thousand only)** per instance or as specified in the RFP, recoverable from bills or Performance Security.

11. The CCMS shall be used exclusively for **monitoring, control, and automation of Highway Lighting systems on National Highways / Associated infrastructure** under the jurisdiction of R&B NH Wing, ANDHRA PRADESH or as directed by MORTH.
12. The Bidder shall quote rates **clearly in words and figures**. In case of discrepancy, rates quoted in words shall prevail.
13. **Performance shall be measured** based on service levels as prescribed in the RFP. Monthly performance review and reconciliation shall be carried out.
14. The Contractor shall submit **monthly invoices certified by the Engineer-in-Charge** for release of payment with respect to completed projects. The payment shall be made on actual installation basis only in respect of completed projects. Payment during O&M shall be made as per applicable % as defined in the agreement.
15. From every payment for works during installation, the Authority shall deduct 10% thereof as guaranteed money for performance of the obligation of the Contractor. Upon occurrence of a Contractor's default, the Authority shall without prejudice to its other rights and remedies hereunder or in law, be entitled to appropriate the relevant amount from the retention money as damages for such contractor's default. On successful and satisfactory installation of all the CCMS feeder panels, the Authority shall refund the balance of retention money after adjustment, to the Contractor.
16. **No escalation or revision** in quoted rates shall be allowed during the entire contract period, except as expressly provided in the RFP.
17. The Contractor shall commence and complete the installation work within **the period specified in the Letter of Acceptance (LOA)**.
18. Evaluation of bids shall be carried out on **L1 basis**, as specified in the RFP.
19. The successful Bidder shall submit all required statutory documents and execute the **Contract Agreement** on non-judicial stamp paper of Rs.100/- at its own cost.
20. The Contract shall initially be valid for **Five (05) Years**, including comprehensive Operation & Maintenance, subject to satisfactory performance.
21. In case of persistent failure to perform, MORTH/Authority shall have the right to **suspend or debar** the Contractor from participating in future tenders of MoRTH/NHAI/NHIDCL for a specified period.
22. MORTH reserves the right to **reject any or all bids** without assigning any reason.
23. The Contract may be terminated by either party by **giving one (01) months' notice, without any compensation, as per termination provisions of the RFP.**
24. Bids received after the due date and time shall be **summarily rejected**.
25. Corrigendum / amendments, if any, shall be published only on the **MORTH CPP website(<https://eprocure.gov.in>)**.

26. MORTH reserves the right to **modify, cancel, or annul** the tender process at any stage without assigning any reason.

27. The Contractor shall ensure **uninterrupted availability of all consumables, spares, accessories, software support, communication services (SIM/data connectivity), batteries, and replacement components** required for continuous and reliable operation of the **Centralized Control & Monitoring System (CCMS)** throughout the contract period.

28. The Bidder shall quote rates as specified in the **Financial Bid (BOQ) –per machine basis, as applicable.**

29. MORTH shall have **no obligation:**

- (a) Towards payment of wages, benefits, or statutory dues of Contractor's personnel.
- (b) For losses due to negligence, accidents, or statutory violations by the Contractor.
- (c) For theft, fire, or misconduct by Contractor's staff.
- (d) For disputes between Contractor and its employees.

30. All disputes shall be subject to Vijayawada jurisdiction only.

31. For Force Majeure, please refer Annexure- A1

32. For Arbitration, please refer Annexure - A2

33. For the indemnification clause, please refer Annexure- A3

Specifications

S. No.	Features	Description
1	Operational Features	- The CCMS unit shall be capable of switching ON and OFF the street lights of an individual switching point and/or networked switching points from the Central Control Station, either instantaneously or automatically throughout the year based on sunrise and sunset timings, depending on the geographical location of the switching point. - The CCMS unit shall be a GPRS and/or GSM-based (with unique IMEI number) proven technology remote Highway Lighting monitoring system with in-built protection against short circuit, over-voltage, surge, and anti-theft/tamper alerts. - The CCMS unit shall be provided with a battery backup of minimum 12 hours. - The CCMS shall have optically isolated communication ports for secure data transfer and protection against unauthorized access. - The rating of the CCMS unit shall be minimum twice the connected lighting load. - The CCMS unit shall be provided with auto-reset / plunger switch facility to restore the incomer/outgoing MCB automatically in auto mode. - The CCMS unit shall have an independent hardware timer to ensure operation of street lights in case of network failure or any technical glitch.
2	Energy Measurement Communication Features	- Each CCMS feeder panel shall be provided with a 3-Phase, 4-Wire Energy Meter, ISI marked, LT AC, CT operated, static, DLMS compliant (Category C1), with CT ratio 100/5A or 200/5A, having Accuracy Class 0.5S for both active and reactive energy, with Optical Port and RS-232/RS-485 communication port, along with compatible software, to be installed inside the CCMS panel. - The CCMS control panel shall include, but not be limited to, MCB, MCCB, contactors, relays, transformer, controller, SPD, and associated accessories. - The CCMS unit shall be capable of recording and providing the following parameters at programmable time intervals, switching-point wise and/or networked switching points: - Phase-wise Voltage - Phase-wise Current - Power Factor - Active Power (kW) - Apparent Power (kVA) - Cumulative Energy (kWh) - Cumulative Energy (kVAh) - Recording of number of glowing hours of LED

		luminaires connected with each switch controller. • Recording of power supply interruption duration. • Provision of special emergency ON/OFF operation through wireless control. • Benchmarking and threshold setting capability for generation of SMS alerts for: - Phase-wise over/under current - Phase-wise over/under voltage - MCB trip - Theft / tamper alert - Group failure of lights - No output supply. • Alert SMS shall be forwarded to minimum five (05) mobile numbers. • Provision for future integration of smart solutions such as environmental sensors, Wi-Fi hotspots, etc. • Class 0.5S accuracy energy meter, with type test report from NABL accredited laboratory, shall be provided. The energy meter shall be calibrated annually. • In case of an inbuilt energy meter, it shall be DLMS compliant, and shall have Class 0.5S accuracy for active energy (kWh) measurement. The integrated system shall measure, record and communicate all required electrical parameters including kWh, Voltage, Current, kW, kVA, kVAR, Power Factor and Frequency, and shall meet all data logging, reporting and functional requirements specified in the tender without any relaxation of performance criteria.
3	Web-Based Central Control & Monitoring System	• CCMS shall have a web-based central server to receive, store, and process data from all CCMS units with time stamping. • The system shall allow individual and group-wise control and monitoring of switching points. • The system shall record glowing and non-glowing hours of LED luminaires for each switching point. • Display of power failure details feeder-wise and luminaire-wise. • Registration and display of all fault conditions such as over-voltage, over-current, power failure, contactor failure, door open alarm, etc., with real-time alerts. • Generation of daily automated reports including energy consumption, energy savings, lamp failure, actual operating hours, and system uptime (%). • Role-based user access control with capability to handle large-scale deployments. • GIS / Google Map based visualization of all CCMS switching points. • Remote configuration of CCMS units including ON/OFF timings, automation response time, system reset, and status monitoring. • Minimum data update interval of 15 minutes, programmable up to 1 minute. • GPS-based time synchronization of controllers and central server. • Secure data storage for minimum 24 months online and archived data for entire contract period. • Cyber security provisions including jamming/hacking

		detection , self-healing mechanism, and fail-safe operation ensuring default ON/OFF operation during system failure.

Force Majeure

1. Definition

(a)

For the purposes of this Contract, “**Force Majeure**” means an event which is beyond the reasonable control of a Party, and which makes a Party’s performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to:

- war
- riots
- civil disorder
- earthquake
- fire
- explosion
- storm
- flood or other adverse weather conditions
- strikes, lockouts or other industrial action (*except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent*)
- confiscation or any other action by government agencies

(b)

Force Majeure shall not include:

- (i) any event which is caused by the negligence or intentional action of a Party or such Party’s sub-consultants, agents or employees; nor
- (ii) any event which a diligent Party could reasonably have been expected to:

(A) take into account at the time of the conclusion of this Contract, and

(B) avoid or overcome in the carrying out of its obligations hereunder.

(c)

Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

2. No Breach of Contract

The failure of a Party to fulfil any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care, and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.

3. Measures to be Taken

(a)

A Party affected by an event of Force Majeure shall take all reasonable measures to remove such Party's inability to fulfil its obligations hereunder with a minimum of delay.

(b)

A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any event not later than **fourteen (14) days** following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.

(c)

The Parties shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

4. Extension of Time

Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

5. Payments

During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultants shall be entitled to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Services after the end of such period.

6. Consultation

Not later than **thirty (30) days** after the Consultants, as the result of an event of Force Majeure, have become unable to perform a material portion of the Services, the Parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.

1 Dispute Resolution

1.1 In the event of any dispute, difference or controversy of whatever nature howsoever arising under or out of or in relation to this Agreement (including its interpretation) between the Parties, and so notified in writing by either Party to the other Party (the "Dispute") shall, in the first instance, be attempted to be resolved amicably.

1.2 The Parties agree to use their best efforts for resolving all Disputes arising under or in respect of this Agreement promptly, equitably and in good faith, and further agree to provide each other with reasonable access during normal business hours to all non-privileged records, information and data pertaining to any Dispute.

2. Escalation of Dispute:

In the event of any Dispute(s) between the Parties remains unresolved within 30 (thirty) days of the notice in writing or such longer period as may be mutually agreed by the Parties, either Party may refer the Dispute to Arbitration or Conciliation.

3. Arbitration, Conciliation and Adjudication of Dispute

3.1 Any Dispute between the Parties the sum of which is of value less than Rupees 10 Crores which remains unresolved between the Parties through the mechanisms available/ prescribed in the Agreement, which has not been agreed upon/ reached settlement by the Parties, will be referred either to SAROD, (a Society registered under Society's Act, 1860 vide Registration no. S/RS/SW1049/2013) duly represented by Government/ Authority and National Highways Builders Federation (NHBF) or to India International Arbitration Centre ("IIAC").

3.1.1 The appointment of Tribunal, Code of conduct for Arbitrators and fees and expenses of SAROD/IIAC and the Arbitral Tribunal shall also be governed by the Rules of SAROD as amended from time to time or the India International Arbitration Centre Act 2019 and the regulations framed thereunder as amended from time to time. The rules of SAROD are placed at Annex-I.

3.1.2 Subject to the provisions of The Limitation Act, 1963, as amended from time to time, Arbitration may be commenced during or after the Contract Period, provided that the obligations of Authority and the Contractor shall not be altered by reason of the Arbitration being conducted during the Contract Period.

3.1.3 The venue of Arbitration shall be New Delhi, or a place selected by governing body of SAROD or IIAC, as the case may be, and the language for all documents and communications between the Parties shall be English.

3.1.4 Each Party shall bear its own costs and expenses incurred in connection with the arbitral proceedings.

3.1.5 The arbitrators. shall make a reasoned award (the "Award"). Any Award made in any arbitration held pursuant to this Article / shall be final and binding on the Parties as from the date it is made, and the Contractor and the Authority agree and undertake to carry out such Award without delay.

3.1.6 The Contractor and the Authority agree that the Award may be enforced against the Contractor and/or the Authority, as the case may be, and their respective assets wherever situated.

3.2 Any Dispute between the Parties, the sum of which is of value Rupees 10 Crores or above, which remains unresolved between the Parties through the mechanisms available or prescribed in the Agreement, which has not been agreed upon/ reached settlement by the Parties, will be resolved by Conciliation as per the Arbitration and Conciliation Act, 1996.

3.3 The Contractor and the Authority agree that the Award or a settlement agreement may be enforced against the Contractor and/or the Authority, as the case may be, and their respective assets wherever situated.

3.4 This Agreement and the rights and obligations of the Parties shall remain in full force and effect, pending the Award in any Arbitration hereunder. Further the Parties unconditionally acknowledge and agree that notwithstanding any Dispute between them, each Party shall proceed with the performance of its respective obligations, pending resolution of Dispute in accordance with this Article.

3.5 This provision relating to Conciliation under the Arbitration and Conciliation Act, 1996 shall cease to apply once the provisions relating to substitution of conciliation process by mediation are notified under Mediation Act, 2023, Thereafter "Conciliation" herein be referred to as Mediation as per the provisions of the Mediation Act 2023.

3.6 Notwithstanding anything to the contrary contained in the Agreement, it is agreed that any Dispute between the Parties the sum of which is of value equal to or above Rupees 10 Crores shall not be referred to Arbitration. It is further agreed that all declaratory disputes or non-monetary disputes shall not be referred to Arbitration. For the avoidance of doubt, it is clarified that nothing herein shall prevent the Parties from seeking resolution of such Disputes through civil courts.

Annexure - A3

LIABILITY AND INDEMNITY

1 General indemnity

1.1.1

The Contractor shall indemnify, defend, save and hold harmless the Authority and its officers, servants, agents, Government Instrumentalities and Government owned and/or controlled entities/enterprises, (the **“Authority Indemnified Persons”**) against any and all suits, proceedings, actions, demands and claims from third parties for any loss, damage, cost and expense of whatever kind and nature, whether arising out of any breach by the Contractor of any of its obligations under this Agreement or any related agreement or on account of any defect or deficiency in the provision of services by the Contractor to the Authority or to any User, or from any negligence of the Contractor under contract or tort or on any other ground whatsoever, **except to the extent that any such suits, proceedings, actions, demands and claims have arisen due to any negligent act or omission, or breach or default of this Agreement on the part of the Authority Indemnified Persons.**

1.1.2

The Authority shall indemnify, defend, save and hold harmless the Contractor against any and all suits, proceedings, actions, demands and claims from third parties for any loss, damage, cost and expense of whatever kind and nature arising out of (a) defect in title and/or the rights of the Authority in the land comprised in the Site, and/or (b) breach by the Authority of any of its obligations under this Agreement or any related agreement, which materially and adversely affect the performance by the Contractor of its obligations under this Agreement, save and except that where any such claim, suit, proceeding, action, and/or demand has arisen due to a negligent act or omission, or breach of any of its obligations under any provision of this Agreement or any related agreement, and/or breach of its statutory duty on the part of the Contractor, its subsidiaries, affiliates, contractors, servants or agents, the same shall be the liability of the Contractor.

1.2 Indemnity by the Contractor

1.2.1

Without limiting the generality of Clause 36.1, the Contractor shall fully indemnify, hold harmless and defend the Authority and the Authority Indemnified Persons from and against any and all loss and/or damages arising out of or with respect to:

- (a) Failure of the Contractor to comply with Applicable Laws and Applicable Permits;
- (b) Payment of taxes required to be made by the Contractor in respect of the income or other taxes of the Contractor's contractors, suppliers and representatives; or
- (c) Non-payment of amounts due as a result of materials or services furnished to the Contractor or any of its contractors which are payable by the Contractor or any of its contractors.

1.2.2

Without limiting the generality of the provisions of this clause, the Contractor shall fully indemnify, hold harmless and defend the Authority Indemnified Persons from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which the Authority Indemnified Persons may hereafter suffer, or pay by reason of any demands, claims, suits or proceedings arising out of claims of infringement of any domestic or foreign

patent rights, copyrights or other intellectual property, proprietary or confidentiality rights with respect to any materials, information, design or process used by the Contractor or by the Contractor's Contractors in performing the Contractor's obligations or in any way incorporated in or related to the Project. If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Contractor shall make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the revocation or suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Project, or any part thereof or comprised therein, is held to constitute an infringement and its use is permanently enjoined, the Contractor shall promptly make every reasonable effort to secure for the Authority a license, at no cost to the Authority, authorizing continued use of the infringing work. If the Contractor is unable to secure such license within a reasonable time, the Contractor shall, at its own expense, and without impairing the Specifications and Standards, either replace the affected work, or part or process thereof with non-infringing work or part or process, or modify the same so that it becomes non-infringing.

1.3 Notice and contest of claims

In the event that either Party receives a claim or demand from a third party in respect of which it is entitled to the benefit of an indemnity under this clause (the "**Indemnified Party**"), it shall notify the other Party (the "**Indemnifying Party**") within 15 (fifteen) days of receipt of the claim or demand and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim or demand, it may conduct the proceedings in the name of the Indemnified Party, subject to the Indemnified Party being secured against any costs involved, to its reasonable satisfaction.

1.4 Defence of claims

1.4.1

The Indemnified Party shall have the right, but not the obligation, to contest, defend and litigate any claim, action, suit or proceeding by any third party alleged or asserted against such Party in respect of, resulting from, related to or arising out of any matter for which it is entitled to be indemnified hereunder, and reasonable costs and expenses thereof shall be indemnified by the Indemnifying Party. If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party in respect of loss to the full extent provided by this clause, the Indemnifying Party shall be entitled, at its option, to assume and control the defence of such claim, action, suit or proceeding, liabilities, payments and obligations at its expense and through the counsel of its choice; provided it gives prompt notice of its intention to do so to the Indemnified Party and reimburses the Indemnified Party for the reasonable cost and expenses incurred by the Indemnified Party prior to the assumption by the Indemnifying Party of such defence.

The Indemnified Party shall not be entitled to settle or compromise any claim, demand, action, suit or proceeding without the prior written consent of the Indemnifying Party, unless the Indemnifying Party provides such security to the Indemnified Party as shall be reasonably required by the Indemnified Party to secure the loss to be indemnified hereunder to the extent so compromised or settled.

1.4.2

If the Indemnifying Party has exercised its rights under Clause 36.3, the Indemnified Party shall not be entitled to settle or compromise any claim, action, suit or proceeding without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

1.4.3

If the Indemnifying Party exercises its rights under Clause 36.3, the Indemnified Party shall nevertheless have the right to employ its own counsel, and such counsel may participate in such action, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party, when and as incurred, unless:

- (a) The employment of counsel by such party has been authorized in writing by the Indemnifying Party;
- (b) The Indemnified Party shall have reasonably concluded that there may be a conflict of interest between the Indemnifying Party and the Indemnified Party in the conduct of the defence of such action;
- (c) The Indemnifying Party shall not, in fact, have employed independent counsel reasonably satisfactory to the Indemnified Party, to assume the defence of such action and shall have been so notified by the Indemnified Party; or
- (d) The Indemnified Party shall have reasonably concluded and specifically notified the Indemnifying Party either:
 - (i) that there may be specific defences available to it which are different from or additional to those available to the Indemnifying Party; or
 - (ii) that such claim, action, suit or proceeding involves or could have a material adverse effect upon it beyond the scope of this Agreement;

Provided that if Sub-clauses (b), (c) or (d) of this Clause 36.4.3 shall be applicable, the counsel for the Indemnified Party shall have the right to direct the defence of such claim, demand, action, suit or proceeding on behalf of the Indemnified Party, and the reasonable fees and disbursements of such counsel shall constitute legal or other expenses hereunder.

1.5 No consequential claims

Notwithstanding anything to the contrary contained in this clause, the indemnities herein provided shall not include any claim or recovery in respect of any cost, expense, loss or damage of an indirect, incidental or consequential nature, including loss of profit, except as expressly provided in this Agreement.

1.6 Survival on Termination

The provisions of this clause shall survive Termination.

FORM OF BANK GUARANTEE

[Performance Security/Additional Performance Security]

To,

Executive Engineer (R&B) NH
Division, Vijayawada

WHEREAS _____ [name and address of Contractor] (hereafter called the "Contractor") has undertaken, in pursuance of Letter of Acceptance (LOA) No. _____ Dated _____ for construction of _____ [name of the Project] (hereinafter called the "Contract").

AND WHEREAS the Contract requires the Contractor to furnish an {Performance Security/ Additional Performance Security} for due and faithful performance of its obligations, under and in accordance with the Contract, during the {Construction Period/ Defects Liability Period and Maintenance Period} in a sum of Rs..... cr. (Rupees crore) (the "**Guarantee Amount**"¹⁵).

AND WHEREAS we, through our branch at (the "**Bank**") have agreed to furnish this Bank Guarantee (hereinafter called the "**Guarantee**") by way of Performance Security.

NOW, THEREFORE, the Bank hereby, unconditionally and irrevocably, guarantees and affirms as follows:

1. The Bank hereby unconditionally and irrevocably guarantees the due and faithful performance of the Contractor's obligations during the {Construction Period/ Defects Liability Period and Maintenance Period} under and in accordance with the Contract, and agrees and undertakes to pay to the Authority, upon its mere first written demand, and without any demur, reservation, recourse, contest or protest, and without any reference to the Contractor, such sum or sums up to an aggregate sum of the Guarantee Amount as the Authority shall claim, without the Authority being required to prove or to show grounds or reasons for its demand and/or for the sum specified therein.
2. A letter from the Authority, under the hand of an officer not below the rank of [Superintending Engineer of Ministry of Road Transport & Highways/R&B NH wing], that the Contractor has committed default in the due and faithful performance of all or any of its obligations under and in accordance with the Contract shall be conclusive, final and binding on the Bank. The Bank further agrees that the Authority shall be the sole judge as to whether the Contractor is in default in due and faithful performance of its obligations during and under the Contract and its decision that the Contractor is in default shall be final and binding on the Bank, notwithstanding any differences between the Authority and the Contractor, or any dispute between them pending before any court, tribunal, arbitrators or any other authority or body, or by the discharge of the Contractor for any reason whatsoever.
3. In order to give effect to this Guarantee, the Authority shall be entitled to act as if the Bank were the principal debtor and any change in the constitution of the Contractor and/or the Bank, whether by their absorption with any other body or corporation or otherwise, shall

not in any way or manner affect the liability or obligation of the Bank under this Guarantee.

4. It shall not be necessary, and the Bank hereby waives any necessity, for the Authority to proceed against the Contractor before presenting to the Bank its demand under this Guarantee.
5. The Authority shall have the liberty, without affecting in any manner the liability of the Bank under this Guarantee, to vary at any time, the terms and conditions of the Contract or to extend the time or period for the compliance with, fulfillment and/ or performance of all or any of the obligations of the Contractor contained in the Contract or to postpone for any time, and from time to time, any of the rights and powers exercisable by the Authority against the Contractor, and either to enforce or forbear from enforcing any of the terms and conditions contained in the Contract and/or the securities available to the Authority, and the Bank shall not be released from its liability and obligation under these presents by any exercise by the Authority of the liberty with reference to the matters aforesaid or by reason of time being given to the Contractor or any other forbearance, indulgence, act or omission on the part of the Authority or of any other matter or thing whatsoever which under any law relating to sureties and guarantors would but for this provision have the effect of releasing the Bank from its liability and obligation under this Guarantee and the Bank hereby waives all of its rights under any such law.
6. This Guarantee is in addition to and not in substitution of any other guarantee or security now or which may hereafter be held by the Authority in respect of or relating to the Contract or for the fulfillment, compliance and/or performance of all or any of the obligations of the Contractor under the Contract.
7. Notwithstanding anything contained hereinbefore, the liability of the Bank under this Guarantee is restricted to the Guarantee Amount and this Guarantee will remain in force for the period specified in paragraph 8 below and unless a demand or claim in writing is made by the Authority on the Bank under this Guarantee all rights of the Authority under this Guarantee shall be forfeited and the Bank shall be relieved from its liabilities hereunder.
8. The Guarantee shall cease to be in force and effect on Unless a demand or claim under this Guarantee is made in writing before expiry of the Guarantee, the Bank shall be discharged from its liabilities hereunder.
9. The Bank undertakes not to revoke this Guarantee during its currency, except with the previous express consent of the Authority in writing, and declares and warrants that it has the power to issue this Guarantee and the undersigned has full powers to do so on behalf of the Bank.
10. Any notice by way of request, demand or otherwise hereunder may be sent by post addressed to the Bank at its above referred branch, which shall be deemed to have been

duly authorized to receive such notice and to effect payment thereof forthwith, and if sent by post it shall be deemed to have been given at the time when it ought to have been delivered in due course of post and in proving such notice, when given by post, it shall be sufficient to prove that the envelope containing the notice was posted and a certificate signed by an officer of the Authority that the envelope was so posted shall be conclusive.

11. This Guarantee shall come into force with immediate effect and shall remain in force and effect for up to the date specified in paragraph 8 above or until it is released earlier by the Authority pursuant to the provisions of the Contract.
12. This Guarantee is subject to the Uniform Rules for Demand Guarantees (URDG) 2010 Revision, ICC Publication No. 758, except that the supporting statement under Article 15(a) is hereby excluded.

Signed and sealed this day of, 20..... at
