Reasons for Non-Responsiveness

Note-1: M/s Technocrats Advisory Services (P) Ltd. in Association with M/s Yatinidhi Consultancy (P) Ltd.

As per Clause 8 of Section-1: "Information to Consultants" of the RFP, the Bidder/Consultant participating in the subject tender/project is required to pay a non-refundable fee of Rs. 5,000/- towards the cost of the RFP at the time of submission of the bid proposal, through the SFMS Gateway to NHAI.

In the present case, the bidder has submitted proof of online payment towards the cost of the RFP document; however, the same could not be verified by the Authority. **Accordingly, the bid submitted by M/s Technocrats Advisory Services (P) Ltd. in association with M/s Yatinidhi Consultancy (P) Ltd. has been considered non-responsive** on account of non-verification of the document fee, as required under Clause 8 of Section 1 of the RFP.

Note-2: M/s Vaishnavi Infratech Services (P) Ltd.

A. As per Clause 15(C) of Section-1: "Information to Consultants" of the RFP, in order to claim the maximum number of DPR/AE/IE projects, a bidder must fulfill both of the following conditions simultaneously:

- (a) Demonstrate the Average Annual Turnover from consultancy services over the last three financial years; and
- (b) Have the required number of Key Professionals on full-time rolls (for a minimum period of one year), supported by submission of Form 26AS, in accordance with Note (vi) of Clause 15(C) of the RFP.

In the present case, the bidder has submitted Form 26AS of its Key Professionals, as required under Note (vi) of Clause 15(C) of the RFP. The continuity of full-time employment of the requisite number of Key Professionals in the relevant category for the required one-year period, i.e., from September 2024 to September 2025, could not be established based on the in-hand DPR/AE/IE projects claimed by the bidder and the supporting Form 26AS documents submitted. **Accordingly, the bidder has been considered Non-Responsive** for not meeting the minimum eligibility requirement with respect to Technical Capacity of the firm to undertake new projects.

B. As per Clause 5.3 of the "Letter of Invitation" section of the RFP, "Only those Applicants whose Technical proposal scores 75 marks or more out of 100 shall qualify for further consideration."

In the present case, the Technical Proposal submitted by the bidder has been assessed to have scored less than 75 marks. Accordingly, the bid submitted by M/s Vaishnavi Infratech Services (P) Ltd. has been considered **non-responsive**.

In the present case, the bidder has submitted Form 26AS of its Key Professionals, as required under Note (vi) of Clause 15(C) of the RFP. The continuity of full-time employment of the requisite number of Key Professionals in the relevant category for the required one-year period, i.e., from September 2024 to September 2025, could not be established based on the in-hand DPR/AE/IE projects claimed by the bidder and the supporting Form 26AS documents submitted.
