Further, as one of the bidder had been considered as non-responsive and only one bidder is to be evaluated further, the Tender Evaluation Committee unanimously suggests to re-invite e-bids under second call for the subject plantation works to create competitiveness & citing the single responsive bid during the first call could not be taken up for further evaluation. Also, citing the requirement of Median plantation works during the upcoming monsoon period for the subject project, the second call may be invited duly allowing 21 days for bids submission.
