Detailed Technical Evaluation enclosed as Annexure-A

6. With reference to the Bid received from M/s Sri Aatthiya Infra Project Pvt. Ltd., Dindigul, it is observed that

- i. The CVs furnished for the proposed Key Technical Personnel do not comply with the requirements stipulated under Clause 4.4 B (b) (ii) of the Instructions to Bidders (ITB) read with the Appendix to ITB, as the prescribed format and mandatory requirements have not been fully complied with. Further, the CVs submitted to be recently signed by the concerned individual (not older than three months from the Bid Due Date), however, the date of signing is not mentioned which is mandatory as per the prescribed format.

- ii. Also, the CVs submitted have not been signed by the respective candidates on each page, which is a mandatory requirement under the prescribed CV format forming part of the RFP. Accordingly, the submitted CVs are not in conformity with the RFP requirements.
- iii. The capacity of the Emulsion Pressure Distributor furnished by the bidder is less than the minimum capacity prescribed in the Appendix to ITB and, therefore, does not satisfy the equipment requirements stipulated under Clause 4.4 B(b)(i) of the ITB.
- iv. As required under Clause 4.4 B(b)(i) of the ITB, bidders are required to furnish evidence of availability (either owned, leased or rented) of the key equipment specified in the Appendix to ITB. However, no documentary evidence has been furnished in respect of the required Tipper.
- v. In respect of the Water Tanker, the Lease Agreement has been furnished for only one Water Tanker against the requirement of two Water Tankers. Also, only the invoice pertaining to the tanker has been furnished, however, no documentary evidence has been submitted regarding the vehicle on which the tanker is proposed to be mounted. Accordingly, the proof of availability of the complete equipment, as required under Clause 4.4 B(b)(i) of the ITB, has not been established.
- vi. The documentary evidence establishing that the Patrol Vehicle, Crane and Mechanical Broom are equipped with Vehicle Tracking System (VTS), as required under the RFP, has not been furnished.

Hence, the Tender Evaluation Committee recommended to consider the bid as "Non responsive".

7. With reference to the Bid received from M/s Lucky Associates, Madurai, it is observed that

- i. The CVs furnished for the proposed Key Technical Personnel do not comply with the requirements stipulated under Clause 4.4 B (b) (ii) of the Instructions to Bidders (ITB) read with the Appendix to ITB, as the prescribed format and mandatory requirements have not been fully complied with.
- ii. Also, in respect of 2 out of 3 candidates, the CVs submitted have not been signed by the respective candidates on each page, which is a mandatory requirement under the prescribed CV format forming part of the RFP. Accordingly, the submitted CVs are not in conformity with the RFP requirements.
- iii. As per Clause 4.4 B(b)(i) of the ITB, the bidder is required to demonstrate evidence of availability, either owned, leased or rented, of the key equipment specified in the Appendix to ITB. While documentary proof for the Welding Machine has been furnished, no documentary evidence has been submitted for the Cutting Machine. Hence, compliance with the prescribed equipment requirement has not been established.
- iv. The Lease Agreement furnished towards demonstrating availability of the required equipment does not specify the name of the subject project/work for which the equipment is being leased. Therefore, it is not clearly established from the submitted agreement that the leased equipment has been specifically committed and made available for execution of the subject work, as required under Clause 4.4 B(b)(i) of the ITB.

Hence, the Tender Evaluation Committee recommended to consider the bid as "Non-responsive".

8. With reference to the Bid received from M/s M/s V.Meenal and Co., Devakottai, it is observed that

the Appendix to ITB, as the prescribed format and mandatory requirements have not been fully complied with.

- ii. The Lease Agreement furnished towards demonstrating availability of the required equipment does not specify the name of the subject project/work for which the equipment is being leased. Therefore, it is not clearly established from the submitted agreement that the leased equipment has been specifically committed and made available for execution of the subject work, as required under Clause 4.4 B(b)(i) of the ITB.
- iii. As per Clause 4.4 B(b)(i) of the ITB read with the Appendix to ITB, the bidder is required to demonstrate availability of a Water Tanker of the prescribed capacity of 12,000 litres. However, the documentary proof furnished by the bidder pertains to a Water Tanker having a capacity of only 5,000 litres, which is less than the stipulated capacity. Hence, the equipment furnished does not meet the minimum requirement prescribed in the RFP.
- iv. As per Clause 4.4 B(b)(i) of the ITB read with the Appendix to ITB, the prescribed equipment is a Tractor Trolley. However, the bidder has furnished documentary proof only in respect of the Tractor, while no documentary evidence establishing availability/ownership/lease of the Trolley has been furnished. Therefore, availability of the complete equipment, i.e., Tractor with Trolley, as stipulated in the RFP, has not been established.
- v. The capacity of the Emulsion Pressure Distributor and Air Compressor furnished by the bidder is less than the minimum capacity prescribed in the Appendix to ITB and, therefore, does not satisfy the equipment requirements stipulated under Clause 4.4 B(b)(i) of the ITB.
- vi. The documentary evidence establishing that the Patrol Vehicle, Crane and Mechanical Broom are equipped with Vehicle Tracking System (VTS), as required under the RFP, has not been furnished.
- vii. Also, no documentary evidence has been submitted regarding the vehicle on which the Mechanical Broom is proposed to be mounted.

Hence, the Tender Evaluation Committee recommended considering the bid as "Non-responsive".

9. In view of the above, the Tender Evaluation Committee unanimously suggests re-inviting e-bids under third call considering the non-receipt of single responsive bid. Also, by considering the urgent nature of O&M work, the third call may be invited duly allowing short period for bids submission i.e. 15 days for the subject tender work.
