Subject: Minutes of the Procurement Evaluation Committee (PEC) Meeting held After Price Negotiation_ GePNIC Tender ID: 2026_ONGC_262077_1.

1. Procurement Evaluation Committee (PEC)

The Procurement Evaluation Committee (PEC), comprising the following members, met on 13.02.2026 through online mode to conduct price negotiation with the bidder M/s Hiro Nisha Systems Pvt. Ltd. against the above-referred tender:

- Sh. P D Mant, GM(M) - Level-IV officer of Indenting Section
- Sh. Amarjeet Singh Yadav, DGM(F&A)- 3rd Level Finance Officer
- M/s Hiro Nisha Systems Pvt. Ltd. Representative Sh. Royal Gajjar and Sh. Nikul Desai

PEC was assisted by dealing officer Sandeep Kumar, EE(M).

2. Cost Comparison between Sanctioned Amount and Bidder's Quoted Amount:

Sanctioned Amount		Bidder Quote against tender		Bidder Quote after Price Negotiation	
Gross Basic	Gross FOR Amount	Gross Basic	Gross FOR Amount	Gross Basic	Gross FOR Amount
6,98,958.00	8,74,256.67	8,59,621.00	10,78,757.18	7,66,978.00	9,62,875.28
% Higher than Sanctioned amount		22.99%	23.39%	9.73%	10.14%

Revised bidder quote attached as Annexure-5.

Financial implication:

S/N	Item description	Manufacturing Part No.	EDP Code	UM	Qty. Reqd.	Quoted unit base price	Total Quoted Amount

44	Discharge Valve Seat Set Pin	NV/7088/05	220065230	No.	6	292	1752
Gross basic Amount							7,66,978.00
P&F, Freight and Insurance charges (Rs.)							49,018.00
GST 18% (Rs.)							1,46,879.28
Gross Amount inclusive of all charges							9,62,875.28

3. PEC Deliberation:

During the meeting, the PEC deliberated on the price offer submitted by the bidder and observed the following:

- The revised gross basic amount quoted by the bidder is 9.73% higher than the gross basic amount sanctioned earlier.
- The gross amount inclusive of all charges quoted by the bidder is 10.14% higher than the sanctioned gross amount.
- The financial implication of the proposal, based on the bidder's revised offer, works out to Rs. 9,62,875.28, which is Rs. 88,618.61 (10.14%) higher than the sanctioned amount.
- The OEM, M/s Hiro Nisha Systems Pvt. Ltd., clarified that due to a misunderstanding of the pump model series, there was a difference between the earlier BQ provided and the rate quoted in the tender. Since the currently required model belongs to a different series, the pricing structure has changed accordingly. Therefore, a revised quotation has been submitted. *(Copy of email attached as Annexure-6.)*
- The OEM has also submitted a copy of **PO No. 48793 dated 28.06.2022** issued by **M/s Desmet Ballestra India Pvt. Ltd.** for reference, wherein some items were supplied at the same or slightly higher rates to other companies in India, even though the PO is approximately four years old. *(Copy of PO attached for reference-7.)*
- The PEC was apprised by the indenter section that these operational spares pertain to HIRO NISHA Pumps (Model: HNT-NV/7000/62) installed at the Lakhmani Field, Assam Asset. This pump is currently being utilized as an oil recirculation (RC) pump due to the non-operation of the heater treater. The existing RC pump, being of low-pressure capacity, is unable to meet the required high discharge pressure. Furthermore, no standby RC pump is available at GGS-IV to cater to any emergency breakdown situation.
- Considering Para 13.2.4(vii) of the SCM Manual, the reference PO submitted by the OEM issued by other companies in India, and the essentiality of the equipment the final quoted rate appears reasonable.

appears reasonable.

- The PEC is convinced that no significant reduction in prices would be achieved by continuing negotiations further, as per Para 13.2.9(iv) of the SCM Manual.

4. PEC Recommendations:

In view of the above deliberations (Para 3) and in line with Para 13.2.1(iv) of the SCM Manual, the PEC recommends that **M/s Hiro Nisha Systems Pvt. Ltd.** be awarded the contract for the supply of operational spares for pumps (Model: HNT-NV/7000/62) installed at Lakhmani Field, Assam Asset, at a total contract value of **Rs. 9,62,875.28, subject to additional sanction of Rs. 88,618.61.**

Submitted for approval of the above PEC recommendations.
