3.4.1 As per para 13.2.4 of SCM Manual Part-1 Procurement, clauses relevant to instant case with regard to rate reasonability are as under:

Quote:

13.2.4 (iii) Rate reasonability can be established in comparison to cost estimates and / or last purchase rate (if available) and / or price trends prevailing in the market (if the same can be determined depending on either the type of items being purchased or if there is any published documents / data reflecting the price trends or if there is relationship between raw material being used in manufacture of items like steel is used for manufacture of tubular goods). In complex cases, the Procurement Evaluation Committee (PEC) may seek support/inputs/basis of estimate from the concerned NTA/Indenter while certifying rate reasonability.

Unquote:

3.4.2 ROR was furnished by Engineering Services section by comparing with cost/PR estimate as under:

Quote:

L1 quoted price is Rs. 1447649.96 (inclusive of GST @18%).

Quoted price is 6.47 % below the sanction amount 15,47,839.00 Rs and justified for reasonable.

Unquote:
