Corrigendum

Dear Sir,

With reference to Tender Id: 2026_ONGC_275212_1 for Procurement of mandatory non- RC spare parts for the Additional Lean Gas Compressor (ALGC) MK-1503C on OEM Basis”, no bid was received from OEM within cut off time and request for time extension was received after tender opening date and time.

As there is no provision for tender date extension after the opening date and time of scheduled tender, the instant tender [Id: 2026_ONGC_275212_1] is being cancelled and a fresh tender has to be re-invited.

This has the approval of Competent Authority.
