B) Technical Comments: OEM M/s Innomatics has submitted the signed Scope of Work, SCC. The following are the details of clarification Sought by M/s M/s Innomatics to the Bidding Condition:

Sl. No.	Clause No. of Bidding Document	Clause as per Tender Document	Confirmation /submission by OEM M/s Innomatics and comments there on dtd 21.05.2026	ONGC Comments Dtd 25.05.2026
1.	SOW 2.1	General Scope	As per the general scope and spare parts replacement scope, transformer is included. Kindly clarify whether the scope refers to Control Transformer only or includes Power Transformer as well. Please	Scope refers to Control Transformer only.

			note that our submitted pricing does not include the Power Transformer (Multi secondary step down Mounted in the VFD Panel) scope.	
2.	SOW, 4.1	Preventive Maintenance	Since this is a Comprehensive AMC contract, ONGC and INNOMOTICS shall jointly ensure that PM visits are completed within the agreed contract period for smooth execution and invoicing. The AMC cost also includes material management, priority engineer availability, and manpower deputation.	Noted, Complied
3.	SOW 3.2	Power Cell Refurbishment	We have quoted pricing considering refurbishment of 15 nos. of power cells as a unit scope. In case of any power cell breakdown during the AMC period, refurbishment activities may be carried out individually based on breakdown occurrence and records shall be maintained accordingly. Remaining planned refurbishment activities can be completed during the scheduled shutdown period. Kindly confirm the same.	Noted, Complied
4.	SCC 4.0	PAYMENT TERMS:	Kindly confirm the payment terms, specifically whether payment will be released within 21 days from the date of invoice submission.	As per GCC clause 7.3 payment shall be made within 10 calendar days from the date of receipt of invoice at the above office.

In view of above the technical offer submitted by OEM M/s Innomatics may be considered acceptable.
